Enhanced School-based Learning Activities Support Grant

Starting from the 2026/27 school year, the Education Bureau (EDB) integrates the previous School based After-school Learning and Support Programmes (SALSP) and the Student Activities Support Grant (SASG) into the Enhanced School-based Learning Activities Support Grant (ESLASG).

Eligible beneficiaries of ESLASG are students studying from Primary 1 to Secondary 6 in public sector schools or DSS schools and in receipt of Comprehensive Social Security Assistance (CSSA) or a full grant under the School Textbook Assistance Scheme (STAS full-grant). Schools may also, having regard to their school context, identify financially needy students who are not in receipt of CSSA or STAS full-grant based on their established school-based criteria, and exercise discretion to use up to 30% of the schools' annual ESLASG provision to support such students in joining out-of-classroom learning activities.

Providing appropriate support to eligible students relies on parents declaring their children's needs to the school. Parents who wish to apply for this grant for their child should complete this form and return it, along with relevant supporting documents, to the Form Teacher on or before 4th September 2026. Should you have any enquiries, please contact Ms. KM Chiu at 2711 8175.
