Our Vision & Mission

Vision

Our vision is touching hearts.
We believe that our students are capable of developing their potentials to the fullest through our Lasallian spirit. This spirit moves us to touch the hearts of the children confided to our care.
Our Lasallian spirit centres around faith, zeal and community.

The spirit of faith:

We propose Jesus Christ as "the way, the truth and the life" while respecting other spiritual traditions.
We respect each of our students as made in the image and likeness of God.
We seek to follow our school motto "Laus Deo Semper", praising God always.

The spirit of zeal:

We are to teach the children with diligence, enthusiasm and dedication.
We are to take care of the students both inside and outside the classroom.
We are to be role-models, practising what we preach.

The spirit of community:

We are to be like older brothers and sisters to our pupils.
We are to promote unity and harmony and avoid division and intolerance within our school community.
In touching the hearts of our students, we are to behave in a way both firm but kind.

Mission

Our mission is the human and Christian education of youth with particular care for the poor or needy.
We want to form a school community which puts the highest human and Christian values within reach of everyone so that we can become persons of integrity, eager to serve others.
We provide students with an all-round education that includes areas of moral, academic, physical, social and aesthetic development.

Success criteria for our vision/mission

Generally speaking, our vision/mission is successful when our staff and our students:
1. Respect and care for each other.
2. Work together in facing changes and challenges.
3. Develop a love of learning, life-long and life-wide.
4. Develop a sense of responsibility for the good of the local and world community.
5. Lead a healthy lifestyle mentally and physically.
6. Have a sense of belonging to their school and to the wider Lasallian Family.

Visit from the Hong Kong Lasallian Education Council

The Lasallian Education Council (LEC), consisted of both Brothers and other lay members of the Lasallian Family, was established to promote and strengthen the Lasallian education vision and mission. A meeting was held on 3 June 2006 to introduce the history and current situation of our school to the LEC members. The LEC considered the general academic performance of CSK students was good. The students were on the whole smart and had a strong sense of belonging to the school.

A Letter from Rev. Brother Herman

Many thanks for the copy of the School Magazine which you kindly sent to me. It is a very comprehensive record of various academic events in which the school participated. The school has good reasons to be proud of its achievements in the various school events now required in prominent schools. All together the achievements of the school reflect great credit on the Principal, staff and students in the school.

I wish you many successful years in future.

PRINCIPAL'S MESSAGE

Since I took up the principalship in September 2006, I realize the difficulties and challenges I have to cope with in the years to come. Fortunately, with the support of my colleagues and students, though there were ups and downs in the year, the school is moving forward steadily.

After being a teaching member of the school for more than 33 years, I am well aware of the strengths and weaknesses of our current situation. We have good traditions and devoted teachers. However, the world is changing. We have to equip our students with updated knowledge, generic skills and positive attitudes to meet the increasing demand of the society. Knowledge expands so fast that students must be taught self-learning skills and must cultivate a life-long learning attitude. Therefore, we encourage teachers to have collaboration in teaching, to use student-centred teaching strategies and to develop students' critical thinking and innovation. At the same time, we provide our students with a good academic curriculum and a wide range of extra-curricular activities of quality. Above all, we will strengthen our pastoral care to students to ensure the all-round personal development of students. Teachers must be saluted because they work without reservation for the needs of our students.

This year, the general performance of our students in the arena of sports remained as outstanding as before. We came 11th overall among so many top schools in the Division One Inter-school Athletics Meet. We were also the overall champion in the Division Two Inter-school Swimming Competition and the overall first runner-up in the Division One Inter-school Cross Country Competition as well as the Division Two Inter-school Football Competition. Congratulations to the teachers concerned and all of the young sportsmen. Their efforts are highly appreciated and due recognitions must be given for they have brought a lot of honors to the school.

Besides sports, our students are talented in many areas. For example, in a Hong Kong-Zhuhai-Macau Joint-district "Youth Smoking Prevention" Display Board Design Competition, six F.5D boys won the first runner-up award. Moreover, a group of sixth-formers won the first runner-up prize in the 2006 Secondary School Bridge Design Competition. Last but not least, five Form three and Form four students won the first runner-up prize in the "Don't Give Up" Short Video Competition. In fact, our students made remarkable achievements in many aspects, such as music, speech, debate and drama. Again, credits should be given to our committed teachers and students.

Following the completion of the new annex, we have many development plans that require extra funding. Therefore, on 23rd March 2006, the school organized its first fund-raising walkathon. Our fund-raising campaign also appealed to our old boys, parents

Our Principal

and friends for donation. The money raised is quite close to our targeted amount. Our heartfelt gratitude is extended to the donors for their generosity.

Finally, I must express my appreciation to the teacher advisors of the publication team and the student editors, who succeeded in producing the school magazine with quality design and contents. My sincere gratitude must be extended to all students, old boys, parents and friends of CSK for their continuous support to our school development.

編者的話

有緣的讀者：

翻開原稿紙的這刻，是二零零六年五月二十六日晚上的十一時。

能夠在校刊裡留下自己的一篇文章，對於每一位編輯同學來說，都是一個非常難得的機會。也許這是閣下走馬觀花、匆匆揭過的其中一頁；但對於我來說，卻是瑞祺生活，以至人生裡值得自豪的一頁。

在這一刻回想過去一年的經歷，心裡就像是打翻了五味瓶，百般滋味湧上心頭。學期初施校長的上任、兩線學生會候選內閣的激烈競逐，到後來舉辦首次步行籌款，為我校歷史劃上記印。然而在時間的洗滌下，回憶也總是會褪色的。而一本紀錄冊，可以為大家保存自己的光陰，同時也為下一代留下寶貴的歷史、為他們塑造多一點前人的輪廓。

校刊是學校每個學年的紀錄冊。這本書的內頁，保存大家自己的光陰，同時為來年的瑞祺新成員留下寶貴的歷史、讓他們對這個大家庭和我們這些師兄有多一點的了解。

在構思這麼一本校刊期間，不斷翻看歷年的校刊，後來這還成了我的嗜好。在陳瑞祺書院屹立的短短三十七年中，是鋒芒畢露的：三屆香港學界體育聯會歐米加玫瑰盃最佳進步獎、一屆學界羽毛球賽第一組別總冠軍、學界籃球賽第一組別總冠軍、連逐五屆勇奪學界越野賽第一組別總冠軍；體育以外的：聯校電子問答比賽冠軍、一屆星島校際辯論比賽冠軍以及最具團體精神學校大獎、三屆全港校際辯論比賽亞軍、一屆聯校數學比賽一級榮譽獎、「水的希望」科學展覽比賽冠軍、「東周列國春秋篇」常識問答比賽冠軍、第三屆滬港澳新中學生閱讀報告比賽（高級組）冠軍、第56屆全港校際音樂節鋼琴八級組別冠軍、全港青年象棋比賽高中組冠軍等。除此之外學業成績也聞名學界：最高峰的其中一年，單單是只有二十七人的一班中七同學，便分別在該年度的高考物理及化學科，獲得十一個及九個的優等成績！

陳瑞祺（喇沙）書院，不應只擁有光輝的歷史，還有同學們手中的未來。這本力臻無缺的校刊是瑞祺史上的一個重要的刻度。

天地赤誠，不屈不撓善其身；
凌雲壯志，愈戰愈勇瑞祺心。

閣下翻開這頁的一刻，不知大概是何年何月。

能夠在陳瑞祺這裡留下自己的青蔥歲月，對於每一位學子來說，都是一個非常榮幸的機會。也許這是瑞祺史裡鳳毛麟角的一撮歷史見證；但對於我們的同學來說，卻是終生難忘的一段美好時光。

前一刻還希望忙碌的中六生活快點捱過去，這一刻卻已經來到學期的尾聲。在這裡僅衷心感謝不遺餘力協助我們完成校刊工作的老師們，當然少不得一眾校刊部的編輯同學！

最後，希望閣下享受閱讀這本匯集了我們青春的結晶的校刊。

CHIEF EDITOR'S MESSAGE

After a year's hard work I find that being a Chief Editor is not easy. I have to prepare all items that will be published in the School Magazine. I have to handle hundreds of computer disks, photos and documents, I have always been frustrated by these computer disks.However, I believe that "Whatever your hand finds to do, do it with all your might." (Ecclesiastes 9:10)

I will be depressed when I cannot find a solution to any problem. However, after working as a Chief Editor this year, I have found out that depression does not help to solve problems. It is only through calming myself down that I can find a solution. It is important for me to learn this skill as I will face even more pressure in the future.

Form Six is a wonderful year as we do not need to face any public exam but to prepare ourselves in every aspect for challenges in the future. Form Six is also a year for us to find out more about extra-curricular activities. Participating in these activities is not simply for filling in a JUPAS application form but for gaining experience. When you are well prepared, you will be able to overcome obstacles easily. I have taken part in many extra-curricular activities and gained a lot of experience. I enjoy working as a Chief Editor of the School Magazine. At the same time, I enjoy communicating with the other prefects as I am a Deputy Head Prefect. I also enjoy taking part in various competitions. To make your school-life meaningful and unforgettable, I recommend that all CSK boys should take part in some extra-curricular activities.

"Plans fail for lack of counsel, but with many advisers they succeed." (Proverbs 15:22) Friends are my priceless property. This year, I have gained much while working for the School Magazine. Many of my friends have helped me to reduce my workload in the later stage of production, though they are not members of the publication committee of the School Magazine. Moreover, I always work closely with Tony Tang, the Chief Editor of the Chinese Section. We share our happiness and sadness. I strongly believe that nothing can replace good friends.

To find out more about our school, we have added a lot of interesting elements this year. Talking about the interesting elements in this issue of the School Magazine, I remember that the Chief Editor last year, Wu Kai Cheong, has mentioned that every school magazine should have its foucs. This year, our focus is the colour printing. We have also included again teachers' latest profile (first published in 1998), the amusing photo album and the Happy Corner (published every year in the 1980's). From a reader's point of view, I find these parts interesting. I hope that all CSK boys will enjoy these pages.

Finally, I would like to express my deepest gratitude to all the Teacher Advisors. Special thanks should be given to Mr. H. T. Tang for his patience and support in the administration aspects. Moreover, special acknowledgements should be given to Lau Cheuk Sze, Takashi (5E), Leung Chun Yin (6B), and the former Chief Editor, Wu Kai Cheong (7A), for their generous help in the later stage of production of the Magazine, though they are not members of the publication committee of the School Magazine. Without their help, the publication of the school magazine would not have been made possible.

School Development Fund-raising Walkathon

On 23rd March 2006, over one thousand students, staff members, parents, old boys and friends of CSK strolled along the path near our school campus. It is to raise money to establish the School Development Fund. This event is our school's first walkathon. The fund raised will be used for the procurement of furniture and equipment in the chapel, the expansion of I.T. facilities, the library development project, the campus TV and supporting other school development projects. In addition to these, it is a meaningful event to enhance students' sense of belonging to the school.

After the starting ceremony officiated by Mr. Chiang Sai-cheong Ringo, the Kowloon City District Councilor, Brother Patrick, the Director of Hong Kong Lasallian Schools and Brother Lawrence, the Supervisor of our school, all the participants began to take a walk for about 3 kilometers long. We first walked down to Sheung Lok Street from our school, then passed Shun Yung Street to go up the Red Light Hill and finally came back to the school campus. Despite the heavy rain during the walk, it didn't wipe out our spirit and all of our students came back safely.

Special thanks should be given to all teachers, prefects, student helpers as well as the police force. Before the walk began, these helpers had already gone to the assigned positions to maintain the discipline of the students and most importantly, to ensure their safety. Although every student had exhausted after walking in the rain, they found that this walkathon was meaningful and it became an unforgettable experience to them. The result of this event is a notable success as it not only raises fund for the school, but also strengthens our students' Lasallian spirit. It is such a great achievement for the whole school.

Lasallian Exchange Programme

It is the first time for the Lasallian Schools to join this activity. This year, the Student Associations of four Lasallian schools co-organised the programme.
They were:
Chong Gene Hang College (CGHC)
Chan Sui Ki (La Salle) College (CSK)
La Salle College (LSC)
St. Joseph's College (SJC)

The period was from the 24th to 28th of April. There were 10 representatives from our school and 8 students coming from other schools to enjoy the school life in CSK!

Reporter Siu Siu Ham 6A Editor Tseung Wai Kit 6A

Teddy Leung (St. Joseph's College)
The one week life in CSK is fantastic and this is an unforgettable memory for me I felt warm in CSK and especially in 4B, the class which I was in.
Thanks for all 4B classmates and teachers for their care.

Chris Law (La Salle College)
First of all, I would like to thanks for all my classmates in 4B, because they gave a great support.
As an exchange student, I've learnt something special n CSK, which was caring the others, care can make the communication between students better.
I think it's the most precious thing that I've learnt in CSK.
I hope that this spirit could be spread to my school.

Jubi Li Yan Lin (La Salle College)
Life on CSK is quite different from that of LSC. Here, students take initiative in lessons and grasp every chance to learn.
The members are friendly to us and gave us a warm welcome during this sojourn.
I would like to thank the students and teachers in CSK and also in other Lasallian Schools who have done so much to facilitate this function.
I will cherish this ephemeron in my mind.

Pang Kwok Hin Perry (La Salle College)
Challenging while enjoyable can accurately describe the lives in CSK, to whom an ideal school environment can definitely make a difference.
Studying for one whole week, I would like to express my genuine thank to all the students who have dedicated their times to assisting my study.
Last but by no means least, I wish future pillars will be ever vital in CSK.

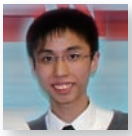

Ho Yan Yue Nicolas (La Salle College)
First of all, I would like to express my most sincere gratitude to the teachers and the mentors for welcoming us with hospitality and cordiality.
Without their assistance, the exchange programme would not be successfully and smoothly run.
Pouring this wonderful week in CSK, I had learnt much about its unique and fascinating spirit.
Students of this school are also very affable, active and united.
This memorable experience will never be forgotten.

Ho Wing Kit (Chong Geng Hang College)
I think the students and teachers who are friendly and nice.
The students who are mentors, are very helpful. They service me in the best. The special cases which occur in lunchtime, the mentors bring us to the good restaurants.
But it wastes too much time. If we were slow, we would be late.
I feel very happy for that. In this week, I study in CSK as happy as CGHC.

Ip Shing Fung (Chong Geng Hang College)
First of all, it's a pleasure for me to visit CSK as an exchange student. When I first come CSK, I'm really interested in the culture of CSK, and I've found that there's a sort of family feeling in CSK by the way of those mentors treated me and the enthusiasm of student in CSK given
Overall, it's a great experience.

James Wong (St. Joseph's College)
CSK is an unique school which you can leave the feeling of living in a warm family.
Everyone is being loved. You can experience the friendliness between students and their classmates. You can also be touched by the passion for teaching from the honorable teachers. This is absolutely the most precious experience in my entire school life!

Feedbacks of the participants

4E Yip Wai Hong (To LSC)
'I have made a lot of friends in LSC. All of the LSC boys are smart and friendly. They let me know what Lasallian spirit is. I really enjoyed the style of learning. I fully understand what Lasallian spirit is after studying in LSC.'

4B Ching Yiu Shing, Victor (To SJC)
'If I have to use one word to conclude this exchange programme, I will use the word 'unforgettable'. There are many things that you can do or meet in SJC, for example, talking with Brother Thomas and having lunch in the classroom. I cannot say everything in only fifty words, but I can only say that it is a wonderful memory in my life.'

4E Wong Ka Shing, Brownson (To LSC)
'When I first arrived at LSC, I felt a little bit nervous. With the help of the mentors in LSC, I got used to studying in LSC promptly. During that week, we studied and played together as if we were old friends. We are all mighty Lasallians. I would like to take this opportunity to thank Mr K.S. Chan of CSK, Mr Sin of LSC, the SA and the students who have been involved in this exchange programme.

4A Poon Man Ho (To SJC)
'I am glad that I could be given a chance to take part in this exchange programme. I have learned some useful study skills and I have also met nice teachers and students. The culture of SJC is different from ours. When I was in SJC, I tried to learn more about their school-life and get used to it. I enjoy the programme very much.

4B Poon Tik Sum (To LSC)
'I was very happy there. Students in 4B of LSC are very friendly. They took good care of me. After joining this exchange program, I felt that LSC students are confident of themselves. I hope that there will be another exchange program next year so that more CSK students can understand the culture of the other Lasallian schools.'

4B Pun Ka Chun (To SJC)
'參加完今次學生交流計劃之後，令我的視野廣闊了，發覺原來不是每間學校都大同小異。除此之外，我都認識了很多新朋友。總括來說，我認為這次活動對我來說是很成功。'

4E Sung Chun Hei (To CGHC)
'Although the facilities in CGHC are not the same as those in LSC, there is a very harmonious relationship among people in CGHC. I stayed there for five days. I have made a lot of friends. We had lunch together every day. Through interacting with CGHC students, I have learned the importance of Lasallian spirit. I have had a memorable experience there.'

4E Kwan Wai Wah Chris (To CGHC)
'It was an unforgettable experience. The students there are very friendly. When students have lessons, they concentrate fully on their work and seldom talk. Even though I am in the "best" class in Form 4 in CSK, I sometimes feel unhappy because my classmates are not as hardworking as the students there. CSK boys need to work harder.

4E Chow Chi Fung Brian (TO SJC)
'I have learned more about the other Lasallian schools. I was fascinated by the school building of SJC. Students in SJC are all very kind and friendly, and the mentors are very helpful. The teachers there are very kind. It was joyful to talk with Bro.Thomas. He can remember all the names of the students and have a good relationship with them. On the last day, the SJC students gave us each a bag which was full of souvenirs.
I really had an unforgettable experience in SJC and I hope that all Lasallian schools can have a closer relationship in the future.'

Lasallian Leadership Camp 2005

The Lasallian Youth Movement tries to promote the Lasallian spirit of faith, zeal and community among our students. It is hoped that we can follow the footsteps of St John Baptist de La Salle and instill the Lasallian spirit in our school lives.

We have regular meetings with the members of the other Lasallian schools such as La Salle College, De La Salle College and St Joseph's College. We will organise different programmes and activities in order to promote the Lasallian spirit of faith, zeal and community among our schools.

In the early school term, a formation programme had been held in which the leaders of the Prefectorial Board, Student Association, Catholic Society and the Lasalian Youth Movement had been invited to participate. It aimed at training the Lasallian school leaders. Some old boys of our school had helped greatly in the formation camp.

Chui Chung Ki 4E
在這次活動之中，我得著很多。我明白到喇沙精神的涵義，明白到作為Lasallian的本份，更令我更加體會到喇沙這個大家庭中那份融和和我在當中所擔當的角色。透過這次活動，令我更清楚我作為Lasallian的義務。

So Yui Man 6B
今趟的 Lasallian Camp 參加者提供了一個寶貴的學習機會，透過不同的活動、講座，訓練參加者的領導才能。參加者之一的我亦在此獲益良多，重新了解了何謂真正的喇沙精神。在與其他喇沙會學校的學生相處中，我體會到一種和諧精神，在對方身上互相學習。我相信大部分的參加者也會跟我有相同的感受，就是五所喇沙會學校就像一家人，大家都是兄弟姊妹。

Chu Hiu Fai 6A
在這個營中，我學習到很多，至少在平日很少提及的喇沙精神，在這個營中也有了更深的體悟。最深刻的是當晚與我校其他同學的「晚間會議」。這次經驗也令我更了解其他同學，畢竟多年的同窗卻很少有機會走在一起的。

Leung Chun Yin 6B
It was really a fantastic trip. Via various challenging activities, i experienced what determination, leadership and team-spirit are. Of course, i have had a better understanding of Lasallian spirit after this camp.

Wong Chi Kin 6A
I've learnt many leadership skills from the camp. Though it's a little bit tough, I enjoyed i very much as I'm keen on challenging trip.

Lam Chin Yat 6A
The Lasallian Leadership Training Camp gave me a chance to get well prepared in my future studies. I found that the skills learnt in the camp very useful in my ECA life.

Siu Siu Ham 6A
今年很高興能有機會代表學校參加喇沙領袖訓練營，是次活動我學如何做一個稱職的領袖，這次有一個部分需要各位來自不同的喇沙會學校的同學攜手合作完成任務，其中我除了學會如何互相幫助，無分彼此之外，還認識了不小新朋友。

和而不同計劃

和而不同教育計劃是由中文大學策劃、聯同三十四間中學一同組織來推動文化交流的一個活動，而我校今年也是其中一份子。今年的主題是「多元中的互動 — 香港文化及宗教的探索」。現今不同宗教、文化、種族之間的衝突、對話、互動及共融，是人類社會當前面對的重大問題，可見培養香港的新生代具備世界文 化及宗教的視野及識見，是不容忽視的教育議題。為此香港中文大學文化及宗教研究系多年來致力與教育界仝人一起推動優質的宗教、文化、倫理、通識及生命教育，近年更配合課程改革的發展，策劃多項相關的教學計劃，而我校今年亦參加了這個計劃。

計劃大致可分為兩部份，其一是考察，包括到訪寺院、教堂、清真寺、廟宇等宗教場所，或實地探訪本港不同的社區組織。二是人物專訪活動，包括宗教領袖、政治人物、知名人士、藝術家、少數群體、前線人員等，使學生能透過這些活動去體味文化，認識社會上不同人士之間的包容與磨擦。而另一部份是學生個人的反思，學生在參加活動後可把個人的體驗拍成短片。又或是以文字形式把它們記錄下來，完成一份活動報告參加學生報告比賽。此外，計劃還附有學生思考訓練營，透過不同的活動，訓練學生的領導才能、自信心和思考能力。

筆者今年亦有幸能參加這項有意義的活動。其中最深刻的可算得上是參觀印度教的聖所國際奎師那知覺協會。不說不知，原來在多元化的香港社會亦包含有一座印度教的「樓上」寺廟。印度文化好像有着一種使人沉湎其中的魔力，當中的智慧比中國文化亦不遑多讓。筆者在那兒嘗試了另類的菜色，亦與長老深入討論過該教的教義，獲益良多。

和而不同計劃除了安排學生參觀宗教場所外，亦曾安排人物專訪及到校演講等活動令學生更加了解香港宗教的多元化。希望同學在將來把握機會，參加這類型的活動擴闊自己的視野，增廣見聞。

曾日曦(天主教同學會副會長)

題目：「和而不同」

「和而不同」是一個宗教活動名稱，透過這個活動，讓參加者認識各宗教的背景。而我在這項活動中，卻獲益不少。

我們在這個活動中分別參觀過佛教、印度教、道教等場所，而我對這些宗教的認識也加深了，對不同宗教的看法也有不同。在每一次的參觀中，講者都能清晰地帶出自己信仰的背景，所信的是什麼。一個信主快將有十五年的我，有否對過自己的信仰作出深入的了解?我作了這樣的反思。

在這次活動中，使我最感興趣的是「食」。雖然吃的只是普通的齋菜，但其實一點也「不普通」。他們在食物上加上了香草，令平凡的齋菜變得更加香可，有如在食物上灑上了祝福。他們用心的製作食物，使人心感溫暖，更使我明白到，原來懷著不同信仰的人，也能和睦相處，這就是我對「愛」這種力量的感歎!

Speech Day & Inauguration Ceremony

The evening on 25th November 2005, the Speech Day, may be the most unforgettable one to the graduates last year. Long before the Prize-giving ceremony commenced, guests, parents, teachers and students had gathered in groups everywhere in the school playground. Guests and parents were received warmly. They brought an air of nobility to the function. Teachers and students chatted joyfully about all that happened in the past few months as if they had parted for years. They spent much time taking photos together. Indeed, it is a cheerful evening.

Well, here comes the solemn part. At 6:30pm, all parents, teachers and graduates were seated in the hall of ceremony. As a silence of respect and excitement filled the ceremony, our guests of honour entered the hall. The guests of honour included Mr. Yue Chi Hng, JP, Director of Architectural Services Department, and Mr. Chan King Luen, Benefactor of Chan Sui Ki (La Salle) College.

The ceremony started off with the National Anthem and the school song. With the well-trained school choir leading us, we sang in one mighty spirit, which I believe is the CSK spirit. Then, teachers from the Department of Religious Studies led the opening prayers. Afterwards, our Principal, Mr. Sze Kin Kwan, delivered a speech to welcome our guests of honour and presented the annual school report.

What followed, of course, was the presentation of certificates and prizes. The guests of honour were invited to present certificates to our Form 5 and Form 7 graduates, as well as the prizes and scholarships to outstanding students and winners of various competitions. Some graduates may have left school for further studies and work, but all of them looked smart and tidy in their neat school uniform. They stepped on the stage one by one, and received their certificates with memorable smiles captured by cameras. We know, in this solemn and unforgettable evening, they were the main focus.

After all these, Mr. Yue Chi Hang delivered a speech to give compliments and encouragement to the graduates and prize-winners. This was followed by a speech of the representative of our graduates, Cheng Man Hon, giving a vote of thanks and presenting a souvenir to our guest of honour.

Before the closing of the ceremony, there were wonderful performances. First, Leung Wai Ming gave a Chinese public speech and Wong Yik Lung recited a poem. What's more, a touching moment was contributed by our school choir singing a meaningful song, 'Would You?'. Lastly, the ceremony ended in the charming music played by our school recorder band.

Farewell is of course the last thing any graduate would want to say, but I believe the CSK spirit will hold us all together regardless of where we go and what we do in the future.

Academic Prize-giving Ceremony

The Annual Prize-giving Ceremony was held in the morning on 25th November, 2005 in order to award students who have made great achievements in the school-year 2004-2005.

The ceremony was divided into two parts. The first part was held immediately after the morning assembly. Prize-winners from Form One in the previous academic year were presented with prizes in this session.

After the third lesson, students from Forms Three to Seven proceeded to the School Hall. The second part of the ceremony then started with prayers and our school song. Our Principal, Mr. K.K. Sze, delivered a welcome speech. After that, it was the presentation of prizes. This year, the Principal of La Salle College, Dr Paul Lau, was invited to be our guest of honour to present prizes to the winners. After the presentation of prizes, Dr Lau gave a speech to our students. Dr Lau recommended playing a musical instrument. Then, he played a song with a harmonica. All students and teachers enjoyed the performance.

The ceremony came to an end at about 12:00 noon after the presentation of a souvenir to the guest of honour.

We hope that all our fellow-schoolmates can work hard to strive for success.

Speech by Dr. Paul Lau

Mr. Sze, Teachers, Students and Prize winners,

First of all, I would like to thank Mr. Sze for inviting me to this memorable occasion. I would like to take this opportunity to say a few words to students sitting in this hall and especially to the prize winners.

Allow me to share a story that I have read on the web, it's a story about President Putin, the President of Russia. He became President of Russia in the year 2000 when Russia was in a very difficult time. Under his leadership, the situation has much improved. As he was a senior agent of the KGB, we know very little about his background. One thing I believe we all know about him is that he is a judo player and he play judo with the Japanese boys when he visited Japan. So, I do not know whether this story is true or not, nevertheless, this is the story.

One day, President Putin received a letter from an eight year old boy, a student in Russia. I'll read you the content of the letter.

President Putin

I saw you visiting a factor on television TV last Saturday. Can you take one advice from me? You look very smart when you gave your presidential address on TV. However, you look really ugly last Saturday, because you were wearing a safety helmet. So, please do not wear anything on your head when you appear on TV.

Best Wishes,
Ivan

The question to all of you, students and prize winners, if you were President Putin, how would you response to this little boy. It would be very impolite if the president does not reply to Ivan. This was President Putin's reply:

Dear Ivan,

Thanks for your advice. I agree with what you say, I am handsome and have a beautiful face and it looks good on TV, though sometimes people say that it is a little bit cool. Definitely I'll not wear anything on my head when I gave my presidential address on TV, however, when I visit work sites or factories, I'll insist myself to wear the safety helmet.

It is important to have a beautiful face, but I believe it is more important to have a beautiful mind, I believe that my brain is more important than my face and the safety helmet is used to protect my brain.

Looking forward for your other advice

Yours faithfully,
President Putin

Whether this story is true or not, it is not important. What is more important is the message embedded in the story. So what is the message? It is very important to have a beautiful mind and it should be well protected. Dear students and prize winner, the school is giving you the same message through this prize giving ceremony, to honor students who have exercise their brains and to give glory to those who have a beautiful mind. So please join me to give a big hand to all the prize winners.

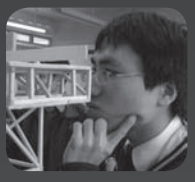

There are numerous ways to develop your brain so that you can have a beautiful mind. There are also numerous ways to have it well protected. I'll give you one advice, on how to develop and protect your brain. My advice is: learn to play a musical instrument.

Your music teacher can tell you more about how learning to play music can enrich your mind. I want to give a demonstration. I have learned to play the harmonica when I was a Form Two boy studying at La Salle College and it has kept my mind working ever since. I am grateful to La Salle for providing me with this safety helmet. Hope that all of you would enjoy this piece of music.

Thank-you, may God bless you all

施健群校長專訪

兒時夢想做「白領」

生於五十年代的施健群校長，在當時正在發展的香港中，沒有甚麼新式的玩具。除了乒乓球外，只有彈珠、拍公仔紙等等老香港式的遊戲。對於生活於現代的學生來說，這些遊戲已經十分落伍。

小時家境並不富裕的校長，並沒有甚麼夢想，也沒有想過要教書。他說，當時的人，只會希望有安定的工作，並沒有特別要求做甚麼的工作。「藍領」、「白領」等等的名詞，從校長的口中而出，有了一點像七十年代的青年。當時的青年，對「藍領」、「白領」有著清楚的介線，「白領」總比「藍領」高級，所以當時的青年也會希望有一份「白領」工作。雖然在現在來說，「藍領」、「白領」已沒有一定的界線，但這一堆老香港名詞，見證著校長曾經歷過刻苦艱辛的年代。

學校生活特別在於平淡

於皇仁中學畢業的校長，除了精通經濟、地理外，也有一定的文學造藝。校長述說當時的學校最普及的活動就是設立「文社」，讓一些同學們在文筆上切磋切磋，亦會投稿到報館，得到的稿費便會與其他同學分享。校長續說，在大學的生活，特別的地方在於平淡，當時在崇基學院就讀的校長，曾經是地理系的會長，經常與系中同學旅行遠足。從大學生活的角度來看，已經可以說是多姿多采。

雖然闊別大學生活多年，校長仍然堅持著每星期行山游泳的習慣。雖然校長也愛平日運動，但校長卻認為自己不是一個運動健將。他更笑說，自己也會打籃球、羽毛球、乒乓球，但是沒有一種是精通的。雖然校長不精於運動，但仍認為運動可強身健體，故仍會堅持於每星期抽空去做運動。

特別的家庭

於一九七二年畢業的校長，一九七四年便結婚，現在於聖約瑟書院任教的校長太太，便是校長青梅竹馬的小學同學。說到生兒育女，校長感到格外欣慰。因為校長的兩名兒子均事業有成，大兒是在美國大學攻讀機械工程後，便留在當地工作；另一名兒子則於香港大學畢業，現在是內科醫生。說到父母最大的期望，便是子女事業有成。所以校長每提及兒子總感到格外欣慰也是可以了解。

說到校長的「教仔心得」，校長說必定要多溝通。校長也會與兒子分享自己閱讀的興趣，每星期也會帶小孩到圖書館，自己可以看書消遣外，也可培養兩名兒子愛閱讀的習慣。校長亦認為接受意見也是「教仔」重要的一環，因為校長認為接受意見才能令孩子有自主能力，訓練獨立。雖然在校長中口說沒有甚麼特別照料小孩，但從筆者聽到的一個又一個的「教仔心得」，已經可以見得校長對照顧兒子是無微不至的。

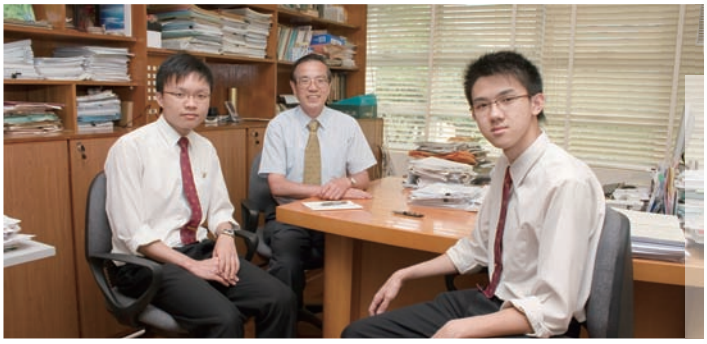

雖然校長的大兒子現在仍於美國工作，但每星期也會跟兒子約定網上會談。校長亦提及於網上會談中看見他的小孫女，還形容小孫女十分活潑有趣。此外，校長於過往暑假中亦會抽空到美國探望大兒子和孫女。一家人聚享天倫，可謂人生一大樂事。

陳瑞祺三十三載

於一九七二年畢業後便加入陳瑞祺的校長，執起教鞭已有三十三年。經歷過數個金融風暴的校長，也以安定的生活為主，甫加入陳瑞祺後，便不捨得離開。

說到七十年代的陳瑞祺，校長仍憶述現在身處的校長室十分寬敞。當時沒有甚麼千禧校舍，而我校又是常和街上第一所建成的學校，故校長認為當時的學校是新簇簇的。學校建在荒山野嶺上，沒有任何交通

接駁，故校長每天也要花上二十分鐘由九龍城碼頭步行上班。雖然我校受過三十多年的風雨，現今的校舍也漸漸殘舊。不過新建的校舍能添上新的景象，況且瑞祺的精神並沒有殘舊，學校的校舍不論有多殘舊，「陳瑞祺」仍然是一間有凝聚力、歸屬感的學校。

談及有關執教間深刻的回憶，校長不假思索便肯定那深刻的回憶就是帶領學生參加各種課外活動的情景。校長仍深刻回憶有一年的校際衛生教育設計比賽獲得一個大獎，便是與我校舊生著名的填詞人——林夕——合作。校長憶述林夕的中文造藝十分高，每每有中文的文書處理也會由林夕一手包辦。

校長

當提及去任校長李炳強校長時，施校長十分佩服他對數字的敏感。每當有數字的計算，李校長也可以鉅細無遺地計算出來，令施校長十分佩服。當然不同的校長有不同的長處。曾任教數學的李校長於數字上顯然較為擅長，但筆者亦相信，曾任教經濟的施校長亦能於資金管理、人手編排等範疇表現他的專長。

抱負

問及校長在上任後的抱負，校長則指他希望在學校中推行更全面的教育。校長認為，現今社會發展一日千里，學生必須要迎合現代的社會需求。校長希望學校在各方面，包括學生、教師、資源等方面，在未來的日子內配合現今社會急促的發展。校長更指，舊有的「陳瑞祺」優點，包括學業、運動、課外活動等傳統優良的「瑞祺」精神，應該發揚光大。校長認為，我校學生有很多優點，只要得以適當的引導，將來必成大器。筆者發現校長對學生抱有很大的期望，而在瑞祺精神的大前提下，學生不難達到校長的期望。

後記

人天生出來的時候，視力是正常的。可是，人卻要受到世俗的「糾正」，漸漸變成近視，目光漸漸短淺。世人已經為「校長」一詞下了一個「高不可攀」的定義，自然感覺到自己與「校長」有一定的距離。校長也都是凡人一個，只要我們遠一點看看，不難發現他有關心學生的一面。在訪問前，校長特地為筆者準備飲品；在訪問後，校長與筆者閒談，關心筆者重考會考一事。當筆者向校長透露將重考中文會考，校長亦鼓勵筆者要努力。筆者略帶微笑回應。這些閒話家常的場面，我們不難在校長的身上發現。

拉丁美洲有一位小說家說：「萬物自有生命，只消喚醒他們的靈魂」。只要大家用心觀察，宏觀一點來看，自然會發現校長不是「高不可攀」，事實上一點也不可怕，而且十分明白與學生溝通的重要性。

Visit from Primary Schools

In order to admit new F.1 students of good academic performance, our school organizes visits for primary pupils every year.

This year, our school arranged two visits for primary pupils on 26th November and 9th December respectively. Teachers and student helpers attended the first visit to welcome visitors including parents and pupils from more than 20 schools. Some parents of the Parent-Teacher Association were also present to talk with the visitors. This showed the unity among parents, teachers and students. Our teachers worked in teams to welcome visitors. They were stationed at different areas of the school. Some of them were at the entrance to welcome the visitors; some were in the covered playground where there were display boards and TV programmes showing our school life and some of them were in the school hall where a powerpoint show was presented.

The powerpoint show was about the mission, the history, activities and results in public examinations in the previous year. We would like to extend special thanks to our Old Boy, Mr. Vicky Law Fai Cheung, who now works as a news reporter in the TVB. He was the commentator of the show.

After the show, the visitors were divided into several groups to tour around the new annex. They were led by our prefects. During the school tour, our prefects shared their feelings of studying in CSK with the visitors to enable them to have a better understanding of their school life.

The activity ended when the last group of visitors left the school at around 5pm. At the end of the visit, the visitors were invited to fill in questionnaires. The results revealed that they were satisfied with the arrangements of our school and that the visit enabled them to have a better understanding of our school.

The Primary Six pupils of Chan Sui Ki Primary School were invited to the second visit. After a welcome speech given by our principal, the visitors enjoyed a powerpoint show and walked around the new building. Then they were invited to participate in the English Week organized by the English Language Society. They enjoyed the visit very much.

It is expected that a similar activity will be organized next year to let primary pupils know more about our school.

尋蛋記－聯校義工服務

剛過去的復活節，不知道大家做過甚麼呢？打機，逛街，看電影，或是無所事事呢！但是，大家有否想過，並不是每位年青人及小朋友都能這樣渡過他們的復活節，有些青年人也只能每天呆在家中，幫手做家務，沒有機會出外遊玩。

小朋友是未來社會的棟樑，但在香港有些家境清貧的小朋友較少機會出外接觸社會，這些小朋友也沒有機會去學習一些生活的技能，如與人溝通，看地圖，解難能力等。為了向小朋友們提供一些娛樂，本校公益少年團聯同聖羅撒書院公益少年團及香港青年協會(坪石青年空間)，去年十二月，開始策劃名為「尋蛋記」的活動。

經過多個月來的商議，我們定於四月十八及十九日進行，第一天的地點是在九龍灣聖若翰天主教小學進行，第二天地點是在赤柱。各參與之學校需要都會派出8名或以上義工參加。

活動程序如下：

第一天(四月十八日)：義工們集合在坪石青年空間，把物資運到車上，繼而出發到九龍灣聖若翰天主教小學。該校有三十名小學生參加是次活動，這天是為了讓義工們和該校的小朋友互相認識，讓義工和學生他們互相認識。

第二天(四月十九日)：義工與學生集合於一早在九龍灣聖若翰天主教小學，乘車至聖士提反灣進行集合遊戲，中午時份，一大班小朋友再由聖士提反灣直達赤柱，而小朋友可免費在麥當勞用膳。(公益少年團資助)接著進行了「城市追蹤」，這遊戲是讓學生學習如何用英語與外國人溝通、認識中國傳統、歷史和解難技巧。到了最後，每位小朋友和義工們都盡興而返，乘搭旅遊巴回到九龍灣聖若翰天主教小學解散。

在此十分感謝聖羅撒書院的義工同學和活動策劃人和坪石青年空間的鍾姑娘的幫助，亦多謝公益少年團的資助，讓是次活動得以順利進行希望來年仍可舉辦這些有意義的活動，讓義工和小朋友同樣健康快樂地成長。

德育及公民教育展覽

本年度的德育及公民教育展以「綠色生活」為主題，展覽會由五月二日開放至五月四日供老師及同學們參觀。是次展覽會除了展出一系列與「綠色生活」有關的資訊外，還有八個攤位遊戲，此外展覽場地同時在銀幕上投影出大自然優美的景色以及播放柔和的音樂，使大家能在輕鬆愉快的環境之下認識綠色生活。在為期三天的展覽會上，大家都能在午飯時間或放學後到位於禮堂的展覽場地欣賞展覽板或玩攤位遊戲。

在展覽板上，我們除了能看到一般有關綠色生活的資訊外，還有一些比較特別的展覽板，例如我校在早前在「無煙Teen空-校際壁報設計比賽」獲得九龍西區最佳壁報設計、全港最受歡迎壁報冠軍以及港、珠、澳地區最佳壁報設計亞軍三個獎項，此外還有一些同學們為宣傳「綠色生活」而設計的作品，這些作品包括宣傳海報、宣傳標語、四格漫畫以及一些新詩創作。從這些作品之中，我們能夠看到我們的學生除了在學業、運動上能有優秀的成績外，在其他方面如藝術創作上也能有卓越的表現。

開幕典禮於五月二日午飯時間舉行，除了Rev. Brother Lawrence和施校長之外，還邀請了九龍城區公民教育委員會主席劉宇新博士和家教會主席李開良先生擔任開幕嘉賓。在幾位嘉賓的致辭後，接著是一個簡單而隆重的剪綵儀式。

在整個展覽會中最受歡迎的莫過於是攤位遊戲了，八個攤位遊戲各有特色、有靜有動，適合不同喜好的同學參與，除此之外，假如同學們完成了八個攤位遊戲，他們便能獲得紀念品一份。八個攤位遊戲中較受歡迎的有「峰迴路轉」、「環保知識知多少」和「百發百中」。在「峰迴路轉」中，同學需要用一個小鐵圈通過一條被扭成英文字「green」的鐵絲，假如鐵圈觸碰到鐵絲，他便需要重頭開始。在「環保知識知多少」中，工作人員會問同學一條有關「綠色生活」的選擇題，同學便需因應題目而把膠圈拋到不同的雪糕筒上。在「百發百中」中，同學會用玩具弩和塑膠弓箭把自然環境受破壞後的相片擊倒，象徵了我們不應再破壞，而應珍惜、愛護我們的地球。

除了六節的開放時間外，我們還特地邀請了陳瑞祺(喇沙)小學的五年級學生參觀我們的展覽會。當天，他們在教師以及本校的學生代表帶領下來到本校禮堂。在短短的三十分鐘的參觀時間內，他們都十分主動地向工作人員發問有關展覽品及攤位遊戲的問題，雖然時間十分有限，有部份小學生未能夠完成每一個遊戲，欣賞每一件展品，可是這次的參觀對於他們來說，已經是一次有意義及難忘的回憶了。

展覽會終於在五月四日下午四時圓滿結束，在這三天的展覽中，不僅是曾到場的小學生、老師、同學能得到莫大的啟發，對於有份參與整個籌備整個活動的同學來說，更有深切的感受。劉宇新博士在開幕典禮致詞時曾說:「德、智、體、群、美是學校教育中缺一不可的元素。」他說得對，在今天的社會，道德等心靈教育的重要性日漸提高，盼望來年的德育及公民教育展能夠更成功，繼續向同學灌輸正確的價值觀。

Old Boys' Association and Old Boys' Foundation Fund

At the Annual General Meeting held at the School on February 5th, 2006, a new executive committee, or formally called the board of directors, consisted of 15 members was elected. This year there are 8 new committee members joined in, together with 7 incumbent committee members. Profile of the committee members spanned from the 1970's to 2000's. They are coming from different and diversified professions, such as banking, finance, insurance, IT, wholesale, education, and medical service. Such diversity added views to be expressed from different angles and therefore provided a more comprehensive opinion within the committee.

In the 2005-2006 year, the CSKOBA has organized and co-organized a series of events for its members and other stakeholders.

ACTIVITIES

In the summer of 2005, CSKOBA jointly organized with CSKPTA a farewell dinner to the ex-principal Mr BK Lee and other retiring teachers. About 300 old boys, parents, teachers, students and friends gathered together to say farewell to those teachers who have contributed long years of service at CSK.

The CSKOBA, together with other 4 Lasallian school OBAs in Hong Kong, officially admitted to the UMAEL, the organization with the Spanish word that stands for World Union of Lasallian Former Students. The Union is an organization that links with all former Lasallian students organizations in different parts of the world. The CSKOBA is glad to be a member of it.

The CSKOBA football team achieved outstanding results in the 2005-06 year in that we grabbed the St. Joseph's College Anniversary football tournament trophy, and was the runner-up for the Christian Brothers' Cup, thanks for the effort lead by team leader Ian Tan (1981), and generous donation by Mr Ho Kwok Fai (1981) to the sport suits.

Starting 2005, the luncheon meeting among the five OBAs of Hong Kong Lasallian school had become a regular event that enables the representatives to meet and share the experience in the running of their organizations.

In March 2006 the CSKOBA has organized a business sharing seminar. Topics included the prospects of studying and employment opportunities in the US, and general perspective of real estate development in China. The CSKOBA intended to organize more seminars in the future on other topics

SERVICE

Starting in September 2005, the CSKOBA has arranged with the School to let old boys return to School campus through a procedure on the web and let old boys make use of school facilities by contacting the School in advance.

In view of the expanding membership of CSKOBA, the committee has decided to appoint a position of membership officer who will be responsible for the recruitment and communication with the members. With the creation of the membership officer, we intend to have a better and more fruitful membership expansion.

As a token of supporting the students in their study as well as extra-curricular activities, the CSKOBA continued in this year to provide scholarship to the outstanding students at the School. The scholarship was presented in the annual speech day in November 2005 by the then CSKOBA president Mr Peter Lui (1976).

Some old boys raised request from time to time to the CSKOBA to help contact some retiring teachers and those teachers who have left the School. In late 2005 the CSKOBA has launched a service that enables old boys to contact teachers via the CSKOBA website. Currently more than 40 teachers have provided their contacts at the CSKOBA website and both the teachers and old boys appreciated the availability of such service.

In late 2004 and early 2005 a group of CSK old boys residing overseas initiated and formed the Chan Sui Ki Overseas Old Boys' Network (CSKOOB). According to its initiator, Mr Willie Wong (1973), the Network was established with the aim to gather and promote the benefits of CSK old boys living overseas. By now the majority of those old boys are located in the North American continent. We at CSKOBA sincerely hope that the network can expand and extend to every part of the world where there are CSK old boys. For further information of the Network please visit http://www.globalfriends.us/cskoob/.

For the past few years we saw the number of members expanding steadily through the on-line registration on our website www.cskoba.org. With the newly-created membership officer we hope that more and more old boys will benefit from joining the CSKOBA. The CSKOBA is happy to see that the School's Old Boys' Secretariat was established in 2005 to facilitate communications between the old boys and the School.

Mr Peter Lui, CSKOBA's immediate past president, continues to represent CSKOBA in the School Management Committee, which is the supreme governing body of the School.

Mr Peter Lui and Mr Addy Choi (1980) are representing CSKOBA on the board of directors of the Chan Sui Ki (La Salle) College Old Boys' Foundation Ltd for the year 2006.

I am honoured to have accepted the appointment in July 2005 in personal capacity by Brother Patrick, Area Director of Hong Kong Lasallian Family, to the Hong Kong Lasallian Education Council, which is an advisory body to Brother Patrick on the overall strategy and direction of Lasallian mission in Hong Kong.

2005-06 was a challenging year for both the CSKOBA and the School. To overcome the uncertainty and demand that lies ahead of us, we, the old boys, staff and teachers, students and parents need to work closely and hand-in-hand to keep abreast of challenge and competition.

School Improvement Committee

The School Improvement Committee was formed in September 2005. The main areas of work are:

1. to implement and review the policy of staff appraisal. A three-year cycle staff appraisal system (2004-2007) on teaching and non-teaching areas was implemented.
2. to conduct and analyze the school self evaluation stakeholders (students, teachers and parents) surveys and students' attitude to school – "the assessment program for affective and social and social outcomes" APASO surveys. The surveys have been done and data were collected in May 06 for school development.
3. to enhance the teachers' knowledge, skills and abilities and to develop positive values for the benefit of students.

Moreover, there are three staff development days each year for all the teaching staff in the school. The first staff development day was held on 8th October 2005 (Sat) at La Salle Primary School. The theme of the day was "the Lasallian vision of values education. Bro. Mark Murphy, FSC, the facilitator, was invited to share with us his experience of how to fulfill our mission in the Lasallian spirit of Faith, Zeal and Community by helping our students to discover, appreciate and practise both human and gospel values. The second staff development day was held on 25th January 06 (Wed). On that day, all staff shared their experience in the area of Lesson Study and DOLACEE (Development of Language Across the Curriculum for English Medium Education) project. It provided an opportunity to help teachers develop their capacity to learn and to improve their practice and brought about sustainable school development and for the improvement of student learning. The third staff development day was held on 16th June 06 (Fri). It included two sessions. The first session was about the Lesson Study Project and the topic of the second session was classroom management.

Lasallian Schools Combined Staff Development

The first Staff Development Day was held on Saturday, 8th October 05 at La Salle Primary School. The theme of the day was "The Lasallian Vision of Value Education". Brother Mark Murphy, FSC, the facilitator, was invited to share with us his experience of how to fulfill our mission in Lasallian spirit of faith, zeal and community by helping our students to discover, appreciate and practise both human and gospel values.

Asia Pacific Lasallian Educators Congress

The Asia Pacific Lasallian Educators Congress 2005

The Asia Pacific Lasallian Educators Congress 2005 (APLEC 2005) was held from 12 to 14 December 2005 in Manila, Philippines. The theme of the congress is "The Future of Technology and Mass Media, and Their Impact on Youth and the Lasallian Educational Mission." This congress has seen a representation of Lasallian educators from many countries in the Asia-Pacific region. Apart from Hong Kong and Philippines, there were delegates from Singapore, Malaysia, Thailand, India, Indonesia, Pakistan, Japan and also those coming from the southern hemisphere such as Australia, New Zealand and Papua New Guinea. The ubiquitous nature of technology and mass media brings modern convenience to society and yet creates challenges to educators at large. What are the youth attitudes and values in the Asia Pacific Region? How does the media influence their attitudes and values? How emerging technology help shape our pedadogy? As Lasallian Educators, what can we do to make mass media and technology further strengthen Lasallian education? These were in fact the major topics discussed during the Congress. Each day, there was a morning prayer lead by representatives from a country. This was followed by some open forums and presentations. Guest speakers invited included university professors, journalist, technology company CEO, university students and a celebrity from the entertainment industry (a Filipino-American VJ and actress). Reflection groups were formed before the end of a day programme to consolidate any thoughts and ideas shared previously. Needless to say, what came next was a delicious dinner prepared by the hotel caterer. Fortunately, our group did manage to squeeze some time out to visit some places, in particular, the de La Salle University in Mania and dined out one night. To me, this experience is truly inspiring and eye-opening. I met a lot of educators from other countries. The message that inspired me most is that "more than saying that medium is the message – the messenger is the message." This reminds me of the importance of media literacy to the youth. As shared by one of the speakers, students should be critical to the messages they received from the media. The following questions can help students to make discernment. Who produced the message? What is the intent of the message producer? What does the producer have to gain from the message? What is the track record of the message producer in terms of credibility & public service? How can the message be critically interpreted?

Finally, as Hong Kong Lasallians, we proposed the following actions in response to the above challenges:

1. We want to share pedagogical, pastoral, moral education and teaching resources among our Lasallian Family;
2. We want to form a loose network to monitor the mass media. We will share information and propose collective action among Lasallians, in response to the positive and negative influences of the mass media. We, APLEC 2005 delegates, will be the seed teachers to start this network;
3. We will endeavor to set up ICT formation/ training courses for Lasallian stakeholders to enhance their computer literacy and develop appropriate awareness of good and bad practices in using new technology.

陳瑞祺大路之王長跑比賽

我校大路之王長跑比賽今年已正式踏入第二屆，由一向熱衷於長跑運動的黃德誠老師和楊振燦老師鼎力推廣該運動。比賽宗旨是推廣校內長跑運動，提升同學們對長跑的認識和興趣，使同學們從長跑中學會刻苦堅毅的精神。總計兩年已有過百名同學報名參賽，雖然踏上頒獎台的機會不是人人有份，但大定都抱著志在參與的念頭堅持完成漫長賽程，這種不計較個人勝負的寶貴精神可算是我校體育老師們多年耐心教導的最佳見証。

為使增加比賽的難度和挑戰性，比賽共分四個回合，各回合又以不同類型的賽道全面考驗比賽者的長跑實力，例如有短程，遠程等以考驗同學們的耐力。

大路之王長跑比賽還有一項特色，就是有別以往的班際越野賽只在十月底舉辦「一次」，由於大路之王以各回合得分計算，比賽日子平均分佈在學年的十月，十一月，二月和五月，讓同學們可以有充分的時間備戰。同時報名是各自獨立的，使同學可以自由報選自己最佳的三場比賽。這種靈活的報名方式還有一個好處，就是讓一些錯失比賽的同學中途加入，予以同學們有更大的自由報選和參與的空間。

「大路之王」只有兩年的歷史，要使它真正成為我校一項傳統比賽還要走下更漫長的路。有時候天公不做美，偶然在比賽日子颳起大風雨，逼使比賽延期，不免使健兒們失望。若要「大路之王」的名字清楚列在我校的歷史裏，無疑需要更多同學的熱心參與和體能老師更大的付出，克服前面種種困難。

長跑是一項考驗人們耐力和意志力的運動，也是磨練我校學生刻苦持恆精神的最佳鍛練，也就是讀書的刻苦勤奮的延伸，所以長跑無疑融洽了運動與讀書於一體。我們都衷心盼望來年的大路之王可以辦得更出色。

班際長跑比賽

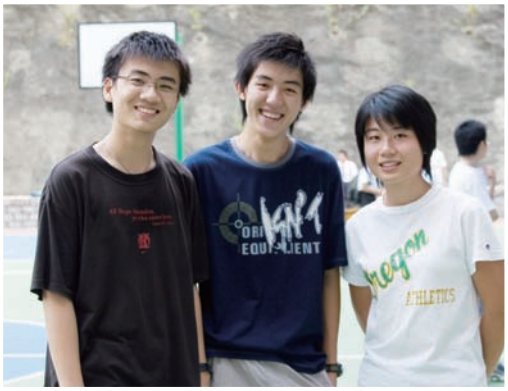

一年一度的班際越野賽又到了，一如既往，同學都很踴躍參加這項盛事，今年校方採用新的安排，分別將甲組、乙組及丙組定在9月21日23日及30日。丙組的同學的路線如往年一樣，由常樂街出發，經佛光街，再轉入高山道由天光道跑回學校，全長2.5公里，而甲組和乙組則增加比賽的挑戰性，在完成丙組的路線後，再上紅燈山經靠背壟道和天光道回到學校，全程接近四公里，是歷屆最長的路程。

雖然路程增長了，但並沒有令同學卻步，反而激發出同學的鬥志，更努力地用心做熱身，為之後的比賽作好準備。槍聲一響，健兒們便一個個出發，一路上同學互相鼓勵，打氣聲不絕於耳！真正表現出「友誼第一，比賽第二」的體育精神！其實對於沒有長跑訓練的同學能夠完成賽事已經是一種勝利了，因為他再一次突破自己的能力！最後，七甲班的黃羽成同學以十八分五十六秒的成績，壓倒落後二十八秒的五丁班的葉偉健同學奪得冠軍，而季軍則是四戊班的葉偉康同學。

對其他學校的學生而言，他們不明白為什麼我校會有那麼多的學生參加這種在炎炎夏日，滿頭大汗地「通街、通山」跑的活動。但是我們卻樂在其中，因為我們在跑的過程中，我們有一種不斷向前完成賽事的鬥心，比賽完畢後，看著自己的成績一年比一年好，心中自然地產生一種自豪感和成功感。

能夠與那麼多的同學一起參加這麼好玩的賽事，實在是人生的一大快事，是每個學生都值得擁有的回憶，如果你還未參加過便畢業，那這將是你一生中的最大損失。

Inter-Class Swimming Gala / Inter-class Athletics Meet

Inter-class Swimming Gala

The Inter-class Swimming Gala is one of the major sports events in every academic year . This year, the gala was held on 13rd September, 2005. All events were held in Tai Wan Shan Swimming Pool. All swimmers tried their very best to be winners. Several records were made. Wong Lit Ken (6B) broke the record of the A grade 100m free , A grade 200m free and also the A grade 50m free. The records of B grade 50m free and C grade 50m free were broken by Chan Chun Yeung (4D) and Wong Fei Yeung (2C) respectivity.

Seven schools were invited to this year 4x50m Invitation Relay. Under the full support of our students, our school was the second runner up. St. Joseph' s College and La Salle College were the champion and the first runner-up respectively. St. Joseph's College also broke the record of this event.

We invited Mr Lau Po Wah (1980) the President of CSKOBA to be our guest of honour. All students stood up and sang the school song loudly after the prize-giving ceremony. All events on that day were completed with our strong CSK spirit.

Inter-class Athletics Meet

The first day of the Athletics Meet was held on 12th October, 2005. The meet was again held in the Wan Chai Sport Ground . It was such a nice day and undoubtedly great for Athletics Meet. The first event started at 8:15 am. Events held on the first day were almost heats or semi-final. All athletes tried their best to get into finals. Thanks to the effort of teachers and the student helpers , all events went smoothly throughout the day.

The 27th of October was the second day of the Athletics Meet. Since all the events held were finals, the competitions were much more exciting and in a higher standard when compared to the first day. This year , there was a new event , the Staff 3000m , with more than ten teachers participated in it , including our new vice-principal , Mr. C. C. Or . The match was eventually won by Mr. C. C. Yeung. Another highlight of the day was the 4×100m Invitation Relay. Two teams were from CSK this year. Under the support and cheering of our students, our school team A was the first runner-up. Chong Gene Hong College won the match and Cheung Sa Wan Catholic Secondary School came third.

Sports Report

Report of Major CSK Sports Achievements in 2005-2006

Our school has very good tradition of sports participation since it was established in 1969. More than 200 students represent our school in inter-school and open competitions each year, and they can usually achieve satisfactory results. This year, our Swimming teams were 1st in A Grade, 2nd in B Grade, and 1st in the Overall, and we were promoted to Division One next year. Our A Grade Badminton team was 3rd in Division One this year. Besides, our A Grade player Lau Chi Yin (6B) was Individual Champion in the HK Schools Jing Ying Badminton Single Competition. With his partner Ip Cheuk Nam (6B), they were 2nd in the Double competition. Our Cross Country teams had also achieved excellent results this year. We were 2nd in A Grade, 3rd in B Grade, and 2nd in the Overall in the Inter-school Cross Country (Division One) Championships 2005-2006. Our A Grade Football team was 1st in the Inter-school Football (Division Two) Competition, and our Overall position was 2nd. Having been promoted to Division Two for the first year, our C Grade Table-tennis team was 2nd in team position. Last, but not the least, Wong Yue Shing (7A), Captain of our Athletics Team and Cross Country Team had received the A.S. Watsons Group HK Student Sports Award due to his outstanding performance in studying and sports.

Wong Tak Shing
(Department Head, P.E.)

Sports Report

To replace Mr. K. M. Yuen for his early retirement, Mr. K. V. Vong started to join our P.E. Department this year. Mr. Vong is a very experienced and knowledgeable teacher. He is particularly good at athletics, swimming, and volleyball.

After the Inter-class Swimming Gala in September, we knew that we had a very good team. Most of our swimmers got standards in the Inter-school Swimming (Division Two) Championships and many of them entered the Finals, too. Our swimming team eventually came first in A Grade, second in B Grade, and became the Champion in the Overall. For outstanding individual results, Wong Lit Ken (7B), our A Grade Team Captain, took three gold medals in the 50 m Back, 100 m Back, and 4 x 50 m Medley Relay, respectively. Our C Grade Team Captain Cheung Tsz Kit (2C) also got a gold medal in the 50 m Back and a silver medal in the 50 m Butterfly. Besides, Chan Chun Yeung (4C) also took another gold medal in the 200 m Individual Medley for the A Grade Team.

The Inter-class Swimming Gala was closely followed by the Inter-class Cross Country Race. The performance of our A and B Grade runners were satisfactory, but we were a little bit worried for the C Grade Team. However, our Cross Country Team did very well on the whole in the Inter-school Cross Country (Division One) Championships held in November. Our C Grade Team came 4th, B Grade 3rd, and A Grade 2nd. Such results were good enough to place our Cross Country Team 2nd in the Overall team position. In addition, Lee Ho Man (2A) was 10th in C Grade, Yip Wai Hong (4E) was 7th in B Grade, Yip Wai Kin (5D) and Wong Yue Shing (7A) were 3rd and 10th, respectively in A Grade.

Sports Report

This should be the second best performance for our Cross Country Team when compared with the 5 consecutive years of Overall Champion in Division One Cross Country Championships from 1989 to 1994.

After the Inter-class Athletics Meet, we knew that we had to work very hard for the Athletics Team in order to stay in Division One. Although we had got a lot of standard points on Day One and Day Two of the Inter-school Athletics (Division One) Championships held in March, we did not have too many finalists on Day Three. Besides, only our A Grade 4 x 100 m Relay and 4 x 400 m Relay teams could reach the Finals. However, under the support of our Form 1, 2, 3, and 6 cheering teams, old boys, and teachers, our Athletics Team came 11th in the Overall. This is undoubtedly the combined effort of the whole school.

For the ball games, our A Grade Football Team did very well and took the Champion title. Our B and C Grade teams also did very well, although they lost to the same school in the Final Round. Our Overall Team position was 2nd. Unfortunately, the Chinese International School also placed 2nd in the Overall, and their C Grade Team was Champion, the CIS rather than us would be promoted to Division One next year. For Basketball, all of our teams had improved obviously, and we were eventually 7th in the Overall position.

For the racket games, our Badminton Team was 3rd in A Grade. With the combined results of the B and C Grade teams, we were 5th in the Overall position. Lau Chi Yin (6B) was also the Individual Champion in the HK Schools Jing Ying Badminton Competition held later. With his partner, Ip Cheuk Nam (6B), they had taken the 2nd place for the Boys' Double Competition. Our C Grade Table-tennis Team also did very well this year in Division Two after the promotion last year. We were 2nd in C Grade and we were 8th in the Overall position.

The King of the Road Championships was very much affected by the weather and the tight schedule of school functions this year. Only two races could be held and the second one had to be conducted in two sessions on the same day. Most probably, we have to conduct the Championships in another format next year due to more tutorial classes will be held after school in the next school year.

We had conducted some swimming lessons in April and May for 1A and 1D as a trial this year. Unfortunately, several lessons had to be cancelled due to thunderstorm signals being hoisted. We are planning to organize swimming lessons for all Form 1 classes in the next school year. We hope that all Form 1 boys have a chance to try swimming because it is a very important survival skill. Besides, the lessons may also help us to select some boys for the teams.

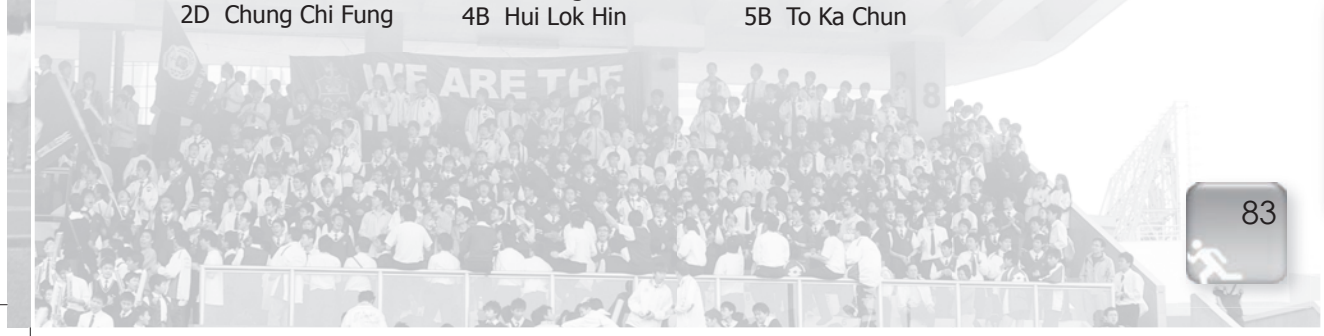

Our achievements in sports are more than satisfactory this year. Besides the individual victories in different types of sports, we were also placed 8th (108 points) in the BOCHK Bauhinia Bowls this year, just one point behind the 7th place. Before concluding this report, I would like to thank all athletes and teachers-in-charge for their efforts and contributions, and hope that all the athletes can have outstanding results in the open examinations.

Inter School Swimming Gala

"WE ARE THE CHAMPION!!!" the members of the CSK swimming team yelled.

It was an early morning, many swimmers were still in their beds. If it had not been the swimming gala, they wouldn't have woken up that quickly. None of them looked languid, but rather excited. Everyone was dreaming to be the owner of the models. But for us, the situation wasn't that simple. We were planning to be the champion.

The first day of the inter-school swimming competition started on the 14th of October. Despite the fact that we were on the level of division two, all of our team members had already been well-prepared, especially the spirit to bring us back to the division one in the swimming competition. Thanks to the dream of being the champion, many of our team members could bring their talents into full play and thus, many of them could therefore enter the finals. Not surprisingly, by the end of Day1, we were already to be the champion.

The second day started normally on the 19th of October. It was the fact that we were on the lead, but none of us were arrogant. We continued to compete with the players from the other schools without leaving the slightest trace of power.

It's hard to believe how tough the finals were. The swimmers could swim so fast as if they lived in water. Perhaps, the word "swimmer" cannot describe them perfectly, the word "fish" is much better. No matter how great the other fish were, under the leadership of our captain, Wong Lit Ken (F.7B), we finally took the shield.

Dream finally came true.

Being the champion is not an easy mission, it needs all of us. We should stick together, we should try hard and we should never give up. That's the way we are- Boys of CSK!

校際越野賽

不論在上學途中，放學路上，都會看到許多穿著紅色背心的同學跑過，不管日曬雨淋，他們仍然風雨不改。而在每次田徑練習中，他們都是最準時，最認真，最勤力的一群。他們寧願犧牲休息時間，都要在放學後，帶著疲累的身軀練習，為著的是什麼?如果不是對學校有歸屬感，愛學校，想為校爭光，他們根本不會這樣做。

每天的苦練為的只是這天，十一月二十一日。

這天，校際越野賽(第一組)在粉嶺哥爾夫球會舉行，有十六間學校參加，強隊林立，但經過一輪苦戰後，我校成功擊敗拔萃男書院，喇沙書院等勁敵而奪得第二名。雖然未能摘冠，但相對前幾年成績，這已是一個大躍進。

個人方面，丙組李浩民同學獲得第十名。而乙組葉偉康同學獲得第七名。最後甲組葉偉健同學及黃羽成同學分別奪得第三名和第十名。

以全組來計，丙組第四名，乙組第三名，甲組第二名。

整體而言，所有同學都能發揮超水準表現，特別是甲組同學。可能大部份隊員都是中五及中七同學，明年可能就要告別校園，大家都不想帶著遺憾離開，所以意志堅定，即使中途有點體力不繼，他們仍然努力保持速度，最後都沒有落後，更得到好成績。他們如此落力，除了希望在比賽中取得勝利外，更重要的是為低年級同學立下榜樣。帶頭大喊csk口號，讓他們感染到CSK的團結精神，從而建立歸屬感，不會輕易放棄長跑，使校隊青黃不接，甲組同學這樣做，實在是用心良苦。

今年校際越野賽成績真是令人鼓舞，我們不再在第六、七名中浮浮沉沉，雖然有許多同學為未能摘冠而失望，但我們重要的目標已經達到。參與比賽，主要是要建立團結精神，如果有看過這場比賽，都一定會被場內如雷貫耳的打氣聲感動，這代表了大家的心聲，大家都希望為自己學校爭光，運動員背負的不只是勝敗，而是一顆團結的心。所以有同學因未能得到好成績而激動得流淚，這是可以理解的，但既然我們已經萬眾一心，有了為校付出的決心，只要我們再努力，下年一定能夠得到第一名的。

校際足球比賽

我校甲組足球隊於本年度學界足球比賽(第二組別)中勇奪冠軍。甲組足球隊能成功衛冕全憑帶隊老師楊振燦老師的悉心訓練、各隊員的團結、永不言敗的精神，對我校的歸屬感以及各老師和同學的支持。

球隊中每一個球員都能充份表現出陳瑞祺團結及永不言敗的精神。縱使在分組賽中，隊員都明白到能出線到決賽回合的機會不大，但當一穿上CSK的校隊衫，他們便會不留餘力地在球場上中奔跑，為的只是要為我校爭光。最後，他們不但能出線到決賽回合，還能成功衛冕冠軍，合計乙組及丙組的成績，我校的總成績為亞軍。

能夠成功衛冕的其中一個最重要因素莫過於是各隊員對CSK的歸屬感。因為有歸屬感，所以有愛；因為有愛，他們才會拚命地作賽。為的不是什麼個人榮譽，為的只是CSK，一個他們十分疼愛的地方。

學生對學校的歸屬感及隊員在賽事中永不言敗的精神，不但可以在運動方面發揮出來，還可以擴展到學業成績中。只要你有歸屬感，對學校有愛，那麼這便能成為你要把書讀好的推動力，因為你希望能為校爭光。再加上我校傳統永不言敗的精神，遇到困難時不畏怕、不退縮，勇於面對及克服它，那麼你便能發現讀書不是一件難事了。

最後希望同學們都能找到你對CSK的歸屬感。當日後你們回望到中學生涯時，因為這份歸屬感，你會發現你的中學生涯沒有枉過。

Inter School Athletics Meet

This year our school is in Division One again. As usual, our schoolmates went to the Wan Chai Sports Ground to cheer our school team on under the lead of the SA Executive Committee Members. Students on the spectator stands and the athletes in lanes tried our best to fight for the glory of our school. We cried out our slogans loudly and we clapped our hands zealously. All of us desired the victory of our school. Our flags flew up high above our students, representing the traditional spirits of CSK, the sense of belonging and unity. The atmosphere was good.

The athletes had tried their best in the field. Our school team entered the finals in several events. Although the final results might not be as good as expected, the final rank of our school was 11 among 15 schools. It is still delightful that our school could still stay in Division One next year. The competition in Division One was keen. We were looking forward to improvements next year.

There was another remarkable thing in the Inter-school Athletics' Meet. It was the team spirit of the fellow Lasallian schools. The three Lasallian schools, namely, La Salle College, Chong Gene Hang College and CSK were united to show our Lasallian spirit to other schools. It was an unforgettable experience. I hope that the lower form students can feel it and preserve this tradition.

學 生 會 選 舉

自八年前，第一屆的學生會「茶水閣」正式在陳瑞祺誕生以來，除了第三屆選舉由「旺閣」和最終當選的「聯合閣」競逐之外，每年都是只有一個內閣參與，可謂大熱當選。而今年，第八屆的學生會選舉，再次重演了一場龍爭虎鬥的精采角力。

會考放榜後的兩個星期內，差不多總共有接近三十位中六同學，在開學之前就已經著手籌備競選事宜，而直到正式提名參選的最後限期前，選舉委員會正式收到兩份全年計劃書，該兩個內閣便是3xpress和Phoenix；他們除了一如以往，計劃全年的活動之外，亦因今年有競爭對手的關係，所以都比往年放了更多心血。當全校學生還在猜測期待學生會全年活動的時候，兩個候選內閣就已經準備了各式各樣的宣傳方式，不但有派發的傳單，還有精美的海報設計、易拉架和橫額等等。

3xpress成立的主要目的是作為學生發表意見的橋樑，亦因此叫作3xpress，除此之外，3xpress的三個宗旨，分別是「學業、運動、歸屬感」，亦是3xpress把「E」字寫作左右倒轉的「3」字之原因；至於Phoenix，則是取「不死鳥」的不屈不撓精神，希望藉此激勵我校學生，即使在任何的困境下，都能夠逆境自強，得到昔日的光輝，以重振我校聲威為己任。

九月二十號，是學生會候選內閣正式宣傳的第一天，兩個內閣共二十位內閣委員，早已拿著一疊疊厚厚的宣傳單張，守在學校進出的唯一通道，迎接上學的全校同學，每位同學一踏進校門便感受到委員們的熱情，各式各樣的傳單交到手中，當中除了活動簡介外，還介紹了雙方的委員名單，在同學們初步了解到3xpress和Phoenix之後，精采的學生會選舉前哨戰便正式上幕。

除了每天的宣傳單張派發攻勢外，海報、宣傳及橫額等等都已經在校內的每一處都找得到，氣氛實不亞於香港立法區選舉，而當中最受觸目的莫過於兩個候選內閣設立於有蓋操場的「詢問處」，二閣皆以此詢問處作為大本營，四出作親身的民意調查，也主動向各級同學拉票。不過重頭戲卻落於「學生會候選論壇」。

在第一天的學候選論壇，對象是中一至中三的同學，同學們魚雷貫注進場後，論壇正式開展，雙方亦趁此機會大力推銷己方內閣的優點和最吸引活動，後來的雙方互相質詢和台下發問更引起了全場的高潮，尖銳的問題顯得我校學生熱心於學生會事宜；在第二天，對象則是中四至中七的同學，高年級同學可謂比低年級同學更為踴躍參與其中，而就讀多年的經驗，亦令他們更清楚自己希望從學生會中得到什麼，對台上的反應也不禁變得更加熱烈，候選內閣成員經過一次經驗後，對答亦都比第一天顯得更加大方巧妙，多次牽起全場的高潮。而宣傳的限期亦隨著第二次的候選論壇終結。

正式的投票在九月三十日的首五堂正式舉行，而令人期待的點票時間，則在午飯時間於有蓋操場正式舉行，由於票數過千，點票需時，午飯結束的時候，由3xpress領先數十票。點票於放學後繼續，眾同學亦圍觀點票現場，每當點票人員拿著選票高喊「3xpress」或「Phoenix」，圍觀同學都高呼拍掌，而在嚴謹的點票下，3xpress得到五百五十五票，Phoenix得到四百三十五票，3xpress以百多票擊敗Phoenix，正式當選第八屆學生會內閣。

明愛賣物會

每年十月中至十二月期間，一連數場的明愛賣物會都會巡迴全港各區舉行。十一月六日於旺角花墟球場舉行的九龍區明愛賣物會，可算是當中規模最大的一場，而我校一如以往，參與其中，為明愛籌集善款。

早於賣物會前的一個多月，學長們已犧牲上課時間，在校方批准下，兩次於上課時間內前往紅磡、觀塘、新蒲崗等工廠區內邀請各個廠家募捐貨品作慈善義賣，還不時於放學後往各個工廠區，收集貨品。經過第一次的「行動」後，所收集得來的貨品已把學校新翼有蓋運動場堆出一個「山丘」來，那「山丘」佔了運動場的「半壁江山」，連乒乓球運動也幾乎被迫停止，可想而知這批貨品的數量之多，其中最多的是文具一類的貨品，一共用了四輛中型貨車才把這批貨品運回學校，惟貨品的種類不多。當第二次的「行動」及往後多次往工廠區收集貨品後，不但所收集得的貨品數量增多，貨品的種類亦愈來愈多元化，當中包括文具、保溫袋、聖誕燈飾、衣履、電器等等，不少貨品的質量都十分高，相信可為這次活動籌得可觀的善款。

隨著第一次統測的日子接近，亦意味著賣物會即將到臨。（在統測前的一個星期，學長們還忙於聯絡各個廠家，希望能收集更多的貨品。統測後的第三天就是賣物會，）學長們要在三天內把在各區嘗未收集的貨品收集回校，再將大量的貨品分類，定價及封箱，以及把所有貨品運往會場，還要把攤位佈置妥當。一連下來繁多、粗重的工作已使到眾學長們疲倦不堪，但每當看到攤位高掛著“WE ARE THE BOYS IN RED”的橫額，即使再疲倦也沒有一句怨言。

而於賣物會前的星期五的校內預售中，由於貨品的質量都相當高，尤其是衣履，老師和同學們對貨品都顯得十分有興趣，故當日已籌得三千多元的善款。

到了十一月六日賣物會當天，天高氣清，烈日當空，一切都準備妥當，除了申請所得的兩個攤位外，學長們還在攤位旁設立了兩個地攤以確保帶來的大量貨品能於一日內全部售出。賣物會於十點正準時開始，在接下來的八小時內就是一眾學長們付出和收成的關鍵時候，前一段日子裡的種種辛勞就即將要得到一個未知的結果，所以每一個到場的學長都顯得格外雀躍和有幹勁。

賣物會就在各人懷著期待的心情中開始了，在初段人流不是太多，但每小時都有大約二千五百元的善款。中午過後，人流陸續增加，有見及此，學長們將銷售量較佳的貨品搬至攤位外圍擺賣，更有學長帶著貨品巡迴整個會場向入場人士兜售，誓要耍盡一切招數為明愛籌集善款。其間每隔一小時，學長們都會大喊「瑞祺口號」，以振「軍」心。而且還有不少老師到場為學長們打氣，當中包括，施健群校長、柯振澄副校長、黃志堅老師、黃錦榮老師、陳家成老師、郭桂芬老師、黃永坤老師及余啟東老師。中午時份，大部分學長被烈日曬得皮膚都發紅了，真是“BOYS IN RED”，但大家仍然落力非常的叫賣著。到了五時，人流已多得使人寸步難行，那情景比起年三十晚的維園有過之而無不及，每小時的善款亦由原先的二千五百元翻了一翻，共有五千六百多元。而這時的總善款亦已有二萬七千多元，遠超以往紀錄。一眾學長得到此消息後，士氣都大為一振，叫賣聲此起彼落，更賣力地叫賣。

夕陽的餘輝暗示著離完場還餘下一小時，但場內的氣氛燒得比太陽還要熱烈。鑑於尚有大量的貨品未出售，學長們實行以低價促銷，一下子把進場人士都吸引了過來，把攤位周圍都擠得水洩不通。最後，我們共籌得三萬六千多元，為全場最高的籌款額，亦是學長會成立以來為明愛籌得的第二高籌款額。而賣物會的最後一刻就在學長們朗唱著校歌的歌聲中美滿地結束。

要籌辦一個賣物會一點也不容易，還要做得有聲有色，更是難上加難。但種種辛酸背後都是值得的，不僅是有需要人士得到了明愛的幫助，學長們也都體驗良多，的確是人生中難得的經驗。

這次賣物會再創佳績，一眾學長的辛勞及犧牲都是功不可沒，還有一群中七師兄及舊生到場支持及落力協助，以及老師們的支持皆是成功的要素。最後，希望未來的明愛賣物會會做得一年比一年成功，從而幫助更多有需要的社會大眾。

班際中文辯論比賽
班際中文演講比賽

以往的中文演講比賽，同學的反應都是比較被動，今年卻不如從前，每班都有兩位參加者，一名正選，一名後備，他們都是由各班中文科老師精心細意挑選才能參賽的。

在中文學會的悉心安排下，比賽在二零零六年一月二十五日舉行。

初級中一組的比賽的題目是「我的綠化校園」，中二組的是「如果時間可以倒流，我會……」，中三組的是「珍惜校園時」，評判團由麥謝家佩老師，陳陳秀芳老師組成。參賽者表現出色，絕不遜色於高級組，他們充滿自信，演講內容貼題充實，聲調抑揚頓挫，確實是下過一番苦功。台下的觀眾都被他們卓越的表現深深吸引着。

結果中一組冠軍由一丙班毛耀民同學獲得，中二組冠軍由二戊班梁世榆同學獲得，中三組的比賽尤其激烈，三丁班林浩德憑着真情流露的演說內容，深深打動了觀眾的心，而三戊班汪奕龍憑着優秀的演說技巧，贏得觀眾不少的掌聲，雙方表現平分秋色，最後，大會決定頒發雙冠軍。

至於高級組的比賽更加精采，參賽者在即席演講前四分鐘才收到演講題目，換句話說，他們只有四分鐘的時間準備三分鐘的演講內容，實屬不易。評判團由劉銘恩老師，關玉燕老師組成。在有限的時間裏，他們發揮無限創意，合演了一場精采的演講比賽。各參賽者都施展出渾身解數，他們多以幽默風趣的手法來吸引觀眾，為台下觀眾帶來了不少樂趣。

結果七甲班陶欣憑着充實的演說內容和卓越的演說技巧奪得冠軍，而他的演講題目是「假如可再活一次」，而五丁班馬子軒憑着「從顏色看人生」獲得亞軍，六乙班何英傑憑着「如何游說旅客參觀香港?」獲得季軍。

演講比賽不但能夠測試演講能力，還能訓練膽量和臨場應變能力，是同學鍛練自己的好機會。所以，切勿錯過下年度的演講比賽。

班際中文辯論賽是我校創校三十七年來一直保持的優良傳統，今年亦不例外，是次精彩的賽事於二零零五年十二月十九及二十日於本校禮堂舉行。

初級組的辯題是「進行食物基因改造利多於弊」。正方二戊班對反方二甲班。當工作人員示意參賽者開始準備後，雙方都聚精會神地覆閱講稿，不敢浪費寶貴的時間。比賽的鐘聲一響，比賽正式開始。在台下同學熱烈的掌聲下，正方主辯開始介題接而簡述己方的論點。反方的同學同時記錄敵方的弱點，準備反擊。經過雙方主辯，一副，二副的講解後，他們銳利的詞峰，獨特的論點，令台下同學看得目定口呆，雙方都各有支持者。接著是自由辯論環節，同時亦為今次比賽掀起高潮。雙方同學都把握機會，質疑對方的論點，他們都費盡心神，務求令對方啞口無言。經過一倫的唇槍舌劍之後，是結辯的環節，他們都總結出有力的論點來支持己方，希望獲得勝利。緊張的時刻來臨了，經各評判商議後，工作人員宣佈反方二甲班以三比零勝出，獲得初級組中文辯論比賽的冠軍。

至於高級組，辯題是「己所不欲，勿施於人」。由正方了五丙班對反方五戊班。我們十分榮幸能夠邀請舊生陳榮基先生，丘健祥先生以及葉倬瑋先生擔任是次比賽的評判。首先，由正方同學開始發言，他字字珠璣，經他的三言兩語已令觀眾們概括認識辯題，以及正方的論點。反方同學亦不甘示弱，連環向正方同學的論點作出反擊，評判們也聽得頭頭是道，連忙記下分數。雙方的一、二副都從各方面舉出例子來支持己方。在自由辯論中，雙方都緊握一分一秒，向對方提出問題，希望能將他們的論點一一擊破。經各方主辯結辯後，就是宣佈結果的時候了。雙方都是排除萬難才擠身決賽的，實力都無用懷疑的，而他們在當日的表現都不相伯仲，賽果賽在難以預測。在場的每一個人都摒息靜氣，靜待工作人員宣佈賽果，無一不替參賽者緊張。最終，令人期待的一刻來臨了，工作人員宣佈五丙班以一票之差，一比二，被五戊班擊敗。而獲得冠軍的五戊班不失風度，主動向落敗的同學握手，以示友好。接著是各評判對參賽者提出意見及指出有待改善的地方，無論台上台下的同學都在今次比賽獲益良多，最後同學們在一片歡樂中散去。現在回想起勝方同學得獎後的表情，令我非常期待下一年的比賽，希望能夠欣賞到同學們高水準的演出!

陳竟明教授專訪

問1：陳教授在中文大學中主講生物化學系課，但其實生物化學研究是屬於哪門科學範疇？

答：大家都知道任何的物質都是由化學物質組成，而生物也不例外，由這個角度來看你就可以明白到生物化學到底是甚麼。生物化學就是研究生物體中的化學分子如何互相影響並產生作用。這些化學分子包括DNA、蛋白質、脂肪、碳水化合物等等。研究範圍是十分廣泛的，包括新陳代謝、腦神經的化學作用、荷爾蒙的調控、分子生物學等各種範疇。甚至是近年的應用研究，包括生物工程的研究，如何去生產一些有用的物質，如胰島素等重要荷爾蒙。而中醫藥的研究也是屬於應用研究，例如某些植物中的化學物質有抗癌的作用，有藥用價值，我們就會做這些研究。總括來說就是希望能了解生物分子在生物體中運作的奧秘。

問2：陳教授覺得生物化學這項專業有何前景？而香港學生在這方面可以有些甚麼發展？

答：生物化學和傳統的生物學注重的地方有點不同，傳統生物學留意的是生物體或不同生物體之間的關係，如生態學。而生物化學留意的是化學分子，是在細胞中看不見的東西。現時的研究大都趨向微觀世界，如奈米技術（Nanotechnology），它們的應用可推展至生物醫學技術，對診斷及治療都有很大幫助。所以生物化學在生物工程的前景是十分廣泛的。香港幾所大學都以培養科研人材為主，有些同學畢業後是留在香港做科研，也有些到外國做科研。此外有些同學會到藥廠工作，處理一些大型儀器或醫療器材，這些都和生物化學有很大關係。

問3：陳教授身兼數職，如何分配好自己的工作時間？

答：我們要分配好時間就先要明白自己在不同組織中擔當著甚麼角色，例如我在大學中是教授，我就要好好教書。在不同的工作中我有不同的角色，而我要做的就是按每一個角色，盡自己的責任。而我在中學時期比較活躍，我參加了很多活動，包括學長、童軍、合唱團男高音、社長，單是這幾項都需要大量時間的參與。簡單來說，最重要的是要分配好時間和明白自己的每一個角色。有時候我們在某些事上會事倍功半，浪費光陰，但我認為最重要是能夠花多點時間來做一些自己覺得有意義的事。當你知道自己在組織或活動中的角色時就要盡自己的責任。當然做事要有緩急先後，但每件事都要在最後限期前做好。而且當我們一接到工作時就應立刻去做，不可有拖延心態。如果一開始拖，你就不能完成你的工作了。因為我有許多角色，所以我只好以效率取勝。

問4：陳教授認為我們中學生能力範圍內應該有甚麼行為支持環保？

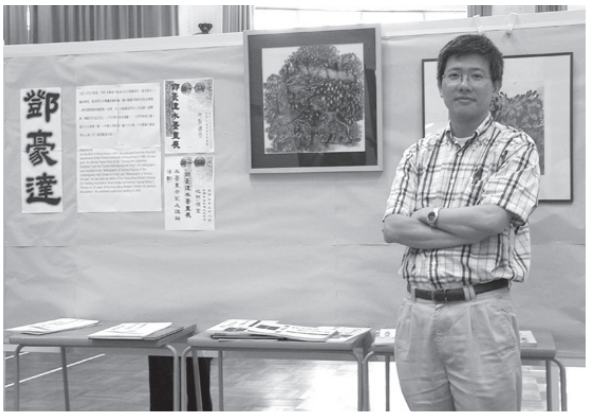

答：其實作為一個人，不一定是中學生，我們可以做的還有很多：最重要的是要積極參與。這就是我們常說的「不要說環保，要做環保了」。積極參與就是要盡量減少浪費資源，例如不要生產廢物，製造污染。而最重要的就是要從自己開始做好，例如你自己有沒有做好回收呢？紙張有沒有兩面都寫？許多時候人們認為即使自己做了這些小事，但如果其他人都不做的話，這又有甚麼用呢？如果每個人都是這些想世界就要大亂了。我認為只要每個人都做好自己的本分，就可做好環保問題了。

問5：陳教授對我們同學有甚麼忠告或勸勉？

答：中學時期其實是一個尚未成型的階段，中學生應盡自己的本分，不放過任何學習的機會，勇於嘗試。到了大學才真正開始發掘自己的興趣，明白自己應在哪一個專科發展。當然大學以外也有許多讀書的途徑，例如我有些學生完成生物化學課程就去進修環境課程，或者讀一些和自己本科完全不同的科目。這樣你才能找到適合自己發展的方向，最重要就是你要去試不同的專科。所以中學時期要知道自己想做甚麼和要嘗試很多不同的事物，千萬不要自己劃地為牢。同時也不應只專注書本，很多時候書本以外學到的知識更能叫你畢生受用。所以中學生不應放棄任何可以嘗試新事物的機會。

Art Exhibition

Held between 26th and 28th April, the "Art Exhibition 2006 " displayed a number of students' works , including different kinds of paintings and carvings. All the works showed the creativity and artistry of the students. The annual exhibition attracted both teachers and students to visit. In these three days , several workshops were available for students to participate in different kinds of handicrafts . It was a great satisfaction for students to make the handicrafts themselves and they were allowed to bring the handicrafts home.

This year , there was a sector called "Tang Ho-tat 's Individual Ink and Wash Painting Show " (鄧豪達水墨畫展) . In the show, several paintings of our teacher, Mr.Tang Ho-tat ,were displayed and there were also albums showing other Mr. Tang 's works. In Mr. Tang's works, we could see some ideas of the Chinese traditional philosophy such as the idea that man is an integral part of nature (天人合一). According to one of the albums, Mr. Tang wanted to show in his works the contradictions and the feelings of having no choice in life. On the last day of the exhibition, Mr. Tang came to the hall and demonstrated the skills of drawing Ink and wash painting for our students.

Art benefits us very much. It helps us to have an open and creative mind. The Art Exhibition was successful as it has fulfilled the mission of promoting art to all students.

English Week

The English Week was held from the 5th to the 9th of December 2005 by the English Language Society. It was divided into two sections. The first section called Song Dedication was from 5th to 8th of December. English songs were played in the covered-playground. While enjoying English songs, students could write some messages to their friends. The Committee members of the English Language Society then read aloud the messages one by one through the public address system.

The second part is a carnival in the school hall on the 9th.There were games to play and prizes to win .Students from Chan Sui Ki Primary School were invited to play the games and they enjoyed this activity too. There were four stall games set in the hall. They were Tic-Tac-Toe, Tongue Twister, Hangman and Word Formation.
For tic-tac-toe, players had to choose one of the nine boxes on a piece of paper and put a cross in the box chosen after they had answered a question. The master of the game, would then draw a circle in one box. If a player could join 3 crosses in a row faster than the game master, he won.

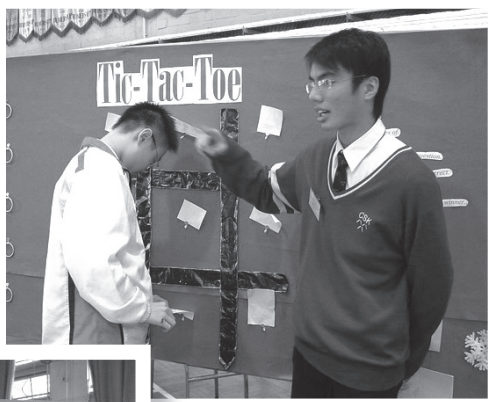

For Tongue Twisters, players were given a paragraph written in English, which was difficult to pronounce correctly or quickly. Players who were able to complete the task in time won, and they were given prizes.

On the last day of the English Week, some primary students from Chan Sui Ki Primary School were invited to join us. They queued properly to wait for their turns to play games and they tried their best to win prizes. Before they left, they said goodbye to all teachers and our committee members. They enjoyed the games a lot and had a happy day. I remembered the big smiles on their faces, as their hands were full of the prizes that they won.

The English week came to an end on 9th of December. I would like to thank our teacher advisors, Mrs. B. Chan, Miss V. Kwok and Mr. A. Beynon, and the committee members of the English Language Society. The English Week was very successful. We all felt satisfied when we saw the smiling faces.

Speech delivered by Lau Po Wah Chris

Dear Mr Sze, teachers, and fellow students,

It is my honour to be invited to attend the School swimming gala today. I enjoyed so much watching the students showing their practice and exercise for a long time being paid off. Those who showed good results today get their reward for their persistence and endurance. The same principle applies to academic works. Remember, "The city of Rome is not built in one day". Good results do not come without putting in any effort.

As a member of the Hong Kong Lasallian Education Council and vice-president of CSK Old Boys' Association, I like to welcome all F.1 students who just joined the Lasallian family, you have chosen the right school. CSK is a school which always emphasizes academic excellence, as well as importance of extra-curricular activities. To F.5 and F.7 students, I like to congratulate you, because the teachers at CSK have put so much effort on you in helping you develop your strength. In a few months' time you will graduate from CSK. However, this is not it. Your tie with CSK remains. You will have the opportunity to join the CSK Old Boys Association, through which you can maintain contacts with the School and the teachers. The School has done so much to help you prepare for your career. So when you look back some years later, you will appreciate what the School and the teachers have done for you. For students of other forms, you still have time to enjoy your life at CSK, making more friends, getting guidance from the teachers.

This year all the students benefit from the expanded facilities provided in the new building, enjoying more space and new equipment. With these added resources, your learning environment is comparable to the best in town. Your time at CSK is precious. So make good use of it. Help prepare yourselves for any future challenge.

Thank you.

聖 誕 音 樂 會

二零零五年十二月廿三日，聖誕將近，在這個普天同慶的日子，音樂學會於學校禮堂舉行了一年一度的音樂會。一如以往，音樂會分為上下兩場，以供低年級及高年級的同學欣賞。在宗教禮儀過後，音樂會正式開始。

是次音樂會由我校的合唱團揭開序幕，接著有牧童笛隊演奏悠揚的樂曲。然後是猜估歌曲遊戲，台下同學們反應熱烈，玩得不亦樂乎！當然，新老師唱歌是少不了的環節。當新老師們唱出流行曲「勁歌金曲」時，台下歡呼聲此起彼落，好不熱鬧。

除了上一半場的演出外，音樂學會亦於下一場加入其他環節。今年音樂學會特別請來一位女生為同學們獻唱，當她步進禮堂時，同學們爭相與這位特別嘉賓握手，而其他同學亦非常陶醉地打著拍子附和。其後主辦單位請來了一個基督教團體到來表演魔術，同學們均被那些精彩絕倫的魔術所吸引。而兩班中七的同學亦特意表演獻唱，以答謝母校及老師多年來的悉心關懷和照顧，場面感人非常。

最後，隨著壓軸的大抽獎派聖誕禮物後，音樂會亦曲終人散。在此亦要多謝音樂學會台前幕後工作人員付出的努力，為我們籌備是次精彩的音樂會。

X'mas Ball

燕尾服與玻璃鞋
Entertained participants with fun and excitement

This year, we teamed up with Pooi To Middle School to organize the Joint School Christmas Ball 2006 燕尾服與玻璃鞋, which welcomed around 100 participants on Friday, 23 December at the school of Chan Sui Ki (La Salle) College. With the participants' enchanting smiles and cheerful mood, it proved that the Student Association 3xpress did a right deed for the return of the popular Christmas Ball which had not been held for several years.

The ball began with some Ice-breaking games which were then followed by the matching session, during which participants set out to find their first dancing partners for the dancing session. The performance of Momentum, an in-house band from CSK, brought about the climax of the ball. The ballroom was filled with heat and energy as well as the cheers of the revellers, who rocked their bodies with the rhythm of music.

Afterwards, the ball king and ball queen were chosen. Before they entered the ballroom, ladies were given pink ribbons while gentlemen were given blue ones. When they came across the person whom they thought was the most charming partner and felt like giving the ribbon to him or her, they could do so to show their admiration. Then, at the end of the day, the lady and the gentleman with the most ribbons, who were Wong Ying and Chan Yun Fu, became the Ball Queen and Ball King respectively. The night ended with a session of dance led by Wong and Chan in soothing music.

With every participant enjoying the night, the Joint School Christmas Ball 2006 was really a great success. It is hoped that this function will be held again next year.

歌　唱　比　賽

「＿＿月二十六日，決戰瑞祺大禮堂。」這正是一年一度，萬眾期待的歌唱比賽戰書。

比賽前主辦單位已經預先舉辦兩場初賽，在眾多的參賽者當中，預選出有實力和有唱功的參賽者，令決賽更令人引頸以待。

比賽當日一如以往，分上下兩場，分別給中一至中三及中四至中七同學欣賞。今年的音樂比賽主題是「新ＳＩＮＧ之火」，故此舞台的設計亦是利用火為主角，在台邊分別有兩支火炬，象徵著瑞祺的星星之火，可以照耀整個紅燈山。

比賽在觀眾熱切期待與如雷掌聲中正式開始。上半場雖然是熱身場，但各參賽者都已經表現良好，到了下半場更是發揮得淋漓盡致，令人熱血沸騰，不禁為他們捏一把汗。因為，評審們都已經執起判筆，嚴謹地為台上參賽者的演出作出評分。縱是有上半場的預演，各參賽者的心情難免亦會緊張，不過他們仍豁出最大力量為觀眾唱出他們的「飲歌」。他們的歌聲，即使比賽結束，仍在觀眾的心中流轉。

今年的比賽新增了「純粹一叮」部分，內容參考人氣電視遊戲節目，不過雖然參賽不會有每秒的獎金，卻有永遠留在心的回憶和同學的掌聲，令人感覺到，原來有時候，有某些事比錢來得更重要呢！

今年，我校很榮幸能夠邀請到音樂家Joyce，以及舊生王星先生和閒時喜歡高歌一曲的柯振澄副校長擔任比賽的評判。他們在賽後逐一為參賽者作出評語，令各參賽者都獲益良多。

經過一場龍爭虎鬥後，結果終於揭曉：獨唱組冠軍由五丁班的旋俊基同學奪得，而合唱組則由「蕭陶一派」的「男子組」奪得冠軍，可謂實至名歸。

一年一度的歌唱比賽，隨著同學的歡呼聲，再次落幕了，令人期待下一年的比賽呢！

Music Week

Can you classify all types of music? What do you know about music? The Music Society launched the "Music Week" from the 7th November to 9th November. It was held in the school hall during lunch time from 12:20 to 12:50pm. All students were welcome to join the "Music Week". Unlike last year, this year' s "Music Week" was divided into three parts. On 7th November , the theme was rock n roll. Actually, rock n roll now has two types: traditional rock and roll in the 1950s and later rock music and even pop music.

On 8th November,the theme was changed to R & B (Rhythm and Blues). On these two days, music videos were viewed in order to give a brief introduction of rock n roll and R & B to students. Many students came and watched the music videos after lunch.

On 9th November , no videos were played. Instead, a new session called Sui Ki Music Performance was organised at lunch time in the covered playground. It was basically a music performance made by fellow students. It was hoped that the performance could create an enjoyable atmosphere in CSK. Some students played the flute and the violin. The highlight was the Chinese opera performed by teachers and students. The Sui Ki Music Performance ended on 9th November. Many students gave rounds of applause to show appreciation.

The Music Week helped students to have better understanding of different types of music. Besides, the Sui Ki Music Performance allowed students to show their talents in music. Furthermore, students could relax during lunch by listening to music. On the whole, our schoolmates supported this event very much.

【柯振澄密碼】
da Or Lo Code

一向以鬼馬動作、精警名句見稱的柯振澄副校長，在陳瑞祺任教二十四年來，為校園生活添上不少生氣。

筆者專誠輯錄柯振澄副校長歷年來的鬼馬動作，讓各位同學回味一下。在輯錄中，筆者發現柯sir的每一個動作也甚有意思。只是一個招牌手勢，也有很多不同的詮釋。就讓筆者從基本功入手，帶大家解開「柯振澄密碼」。

編輯 林展逸 6A

相信認識柯振澄副校長的同學，也不難發現柯振澄副校長有一個「招牌手勢」。筆者發現，柯sir的「招牌手勢」在不同的意境裡有不同的詮釋，就如圖一的「你急我唔急」。雖然站在右的總學長蕭伶杰已催促得獎者上台領獎，但柯sir在頒獎禮台上恐怕得獎者上樓梯時會而跌倒，便利用他的「招牌手勢」表示：「慢慢黎、唔使急」。說的又是，台上頒獎的都不急著走，台下的人急甚麼呢？

招牌手勢例不虛發，每次發出都一定有意思的。此外，筆者亦發現柯sir是一名十分慷慨的人。招牌手勢不是純粹「益CSK自己友」，亦會「益街坊」。在圖二的「唔好搞錯喇」中，我們可以清楚看見，柯sir提醒交通警察要留意同學在校外的安全，請他們「唔好搞錯」。一個簡單的動作配合一句說話，收言簡意賅之效。

密碼一：招牌手勢

曾任陳瑞祺訓導主任的柯振澄副校長，偵查案件十分熟手，小至幫助學生尋回失物，大至在大型活動中維持秩序，都是由名偵探「柯男」一手包辦。雖然陳瑞祺的學生沒有甚麼紀律上的問題，名偵探「柯男」仍要一展他的威風。閒來沒有案件，只好在學生活動中拿起一柄玩具槍以證自己名偵探的身份。雖然柯sir已不再是訓導主任，但名偵探「柯男」身份仍留在瑞祺學生心中，只要學生有任何需要，這位正義的名偵探「柯男」仍然會樂於幫助大家。

密碼二：名偵探「柯男」

一向喜愛語中帶有弦外之音的柯副校長，對於領略不到他的弦外之音的同學，他往往會感到失望。有時候，著急起來，只好輕推他的頭一下，說：「乜你咁蠢架！」

各位同學請放心，以上的場面甚少發生，只要大家上他的課時專心，沒有被柯sir列為「重點照顧人物」，一定不會有以上的情況發生。

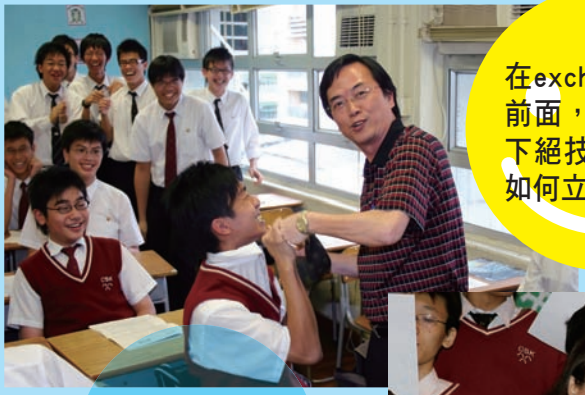

密碼三：乜你咁蠢架！

【柯振澄密碼】內容數之不盡，因版面有限，筆者亦不能詳述每一個【柯振澄密碼】。餘下數之不盡的密碼只能由同學自行領悟，領悟能力稍遜的同學亦可請柯sir親自解碼。同學亦可邀請柯sir出席【柯振澄密碼】講座，輕鬆學習【柯振澄密碼】。歷年來，柯振證副校長為校園生活添上不少生氣，希望這一篇【柯振澄密碼】報導，除了讓陳瑞祺同學認識解碼基本功外，亦讓同學更了解柯副校長。

胡家明、呂永翔專訪

記：在此先恭喜兩位同學於會考中取得二十八分的驕績。歷屆不少同學考得較高分數的話，都會選擇轉到其他學校升讀中六，何以兩位會選擇留在陳瑞祺升學呢?

胡：轉校所付出的代價可能會很大，而且擔心自己的適應能力差而應付不來。

呂：因為在陳瑞祺中有很多自己熟識的朋友，老師。更主要是因為對學校有一種歸屬感。

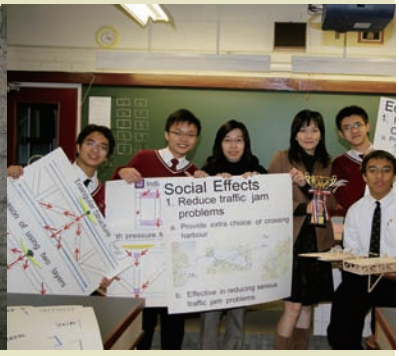

記：兩位在求學方面你有什麼心得呢?

胡：讀書與考試是兩樣不同的東西。在求學方面要培養出良好的，求真的態度，考試方面則要學懂「以技取人」。

呂：盡量放鬆自己，令腦袋能吸收上課時老師的講解。盡量理解課文背後的道理，而非死背書。

記：聽聞有一種學習方法名為睡眠學習法。主要是利用淺睡期中的腦部潛意識活動來加速、加強記憶，深睡期則讓大腦充分休息，醒來

再複習課本內容會感到非常熟悉。呂同學用的是這種方法嗎?

呂：對，接近那種狀態。

記：兩位平時又會如何舒緩讀書的壓力呢?

胡：做運動，例如足球，羽毛球。聽古典音樂，學會自我鬆弛。

呂：主要都是休息，玩球類或電腦，分散過分集中的注意力，藉此舒緩緊張的情緒。

記：胡同學參加了很多校外的比賽，而呂同學亦是學生會的內務副主席，兩位於校內都身兼數職，到底是如何善用一天二十四小時呢?

胡：盡量分配所有時間做休息及學習。

呂：平常都會爭取多些時間休息及做預習，有不明白的地方則留在上課時或下課後詢問老師。不論是上課或在家中時，都盡量於休息與學習中取得一個平衡。與其花費時間和金錢補習，再一次做「填鴨」，倒不如上課更用心理解課本的內容及概念。

胡：其實我認為時間已經非常不足，若果要花更多的時間補習，實在浪費時間。加上會令人對補習產生依賴，對自己缺乏一份自信心，對於未來的大學生活並不健康，甚至是有害。時間上更難有效管理。

記：兩位都有參加到全港中學橋樑建造比賽，在這比賽中又有什麼得著及趣事呢?

胡：學會了解難，趣事亦都有很多。

呂：學到團體思考，發現其實「人外有人，天外有天」。趣事就例如有被膠水黏住手，「梁坤事件」等等。

記：梁坤?

呂：梁坤先生是該比賽主辦單位的負責人，因為胡同學經常部都致電梁坤先生詢問一些比賽細節，從中衍生出不少富趣味性的對話。

記：參加比賽時是否經常都保持這種輕鬆的心態呢?

胡：其實在比賽中經常都要保持高度的集中力和專注力，保持輕鬆的心態可以令思維更清晰及靈活，從中得到更多的靈感。

記：兩位又會不會視對方為自己競爭對手呢?

胡：不，我們永遠是朋友。

呂：其實我們由中一開始已經認識，過去的六年

都一直是好朋友。有時候兩個人更會一起參加不少校外較冷門的比賽，感情一直都很好。

記：兩位又認為如何才能表達出對學校的歸屬感呢?

胡：參與能代表學校的體育和文藝比賽，公民教育反而是其次。實踐比紙上談兵來得更實際及見效。可以代表學校出賽，會使我有一種與學校「心連心」的感覺。

呂：無錯，多參加校際的比賽，能令同學有一種「為校爭光」的感覺。除此之外，多參加學校舉辦的課外活動都可以達到同樣的效果。學校其實一向都有很多形式的課外活動，有時同學不定要參加自己熟悉的課外活動，甚至乎一些班際比賽，從中便可以培養出對學校的歸屬感。

記：你們又最喜歡學校的什麼呢?

呂：同學之間很團結、老師很有人情味。另外學校亦給予學生不少自由度。也許因為是一所男校的關係，同學之間都有一種互相幫忙、團結一致的精神。

樂隊Momentum專訪

聽見Momentum這個字，令筆者第一個聯想起的就是一個物理科的專有名詞Momentum（動量）。Momentum，是一種只有在一件物件持續進行運動下才會存在的東西。但現在Momentum這個字對於我校又有另一個解釋，正是代表我校的一隊新樂隊。在這個訪問之前，總不明白為何他們可以走在一起，因為他們都是性格相異的人，給人一種奇怪的感覺。不過，在訪問中他們卻又給人另一種的感覺。

樂隊成員

電吉他手：	6A 黃志堅（CK）
低音吉他手：	6B 李浩恩（小恩）
電子琴手：	6B 李博琛（Clive）
鼓手：	6A 高冠文（Kelvin）
主音：	6B 鄧永華（春華）

Momentum的由來

就在去年會考之前，成員在一次聚會中計劃著會考後要做些什麼，當時有人提議去宿營，而CK就提議了「玩音樂」，之後就演化成要組成一隊樂隊。但有趣的是他們當中有人是不懂玩樂器的，所以在會考之後，就有人去了學吉他，有人去了學打鼓。

在成立初期，Momentum只有四位成員，還欠了一位吉他手。由於找不到適合的人選，這個位置就由後來加入的Clive以電子琴代替。縱使有了電子琴了，但Momentum至今仍在等待著新成員的加入。

至於Momentum這個字名也是後來才有的。在成立了樂隊之後的某一天，突然有成員想到了要為自己的樂隊起一個名。於是，樂隊成員就開了一次會，當中提議包括了「柴娃娃」、「烏合」、「Momentum」等等。原來Momentum在英語裡有著另一個的解釋，指的是做事具衝勁。他們之所以選這個名也是因為這一個解釋，Kelvin說：「我們當初都是因為十分有衝勁，一想起，嘩！大家都這麼喜歡音樂，於是便衝著去學鼓、學Bass、學吉他。」

付出良多

要成立一隊樂隊並不易，要做得好更加是難上加難也！他們當初提議「烏合」這個名字也不錯，因為他們在音樂這個範疇的確是「烏合之眾」。大部份的成員除了懂得聽歌外，對於音樂，對於樂器都不過是門外漢。到底這幾個「烏合之眾」怎樣在日後使到聽到他們的觀眾們都能為他們演奏的音樂而興奮得跳了起來，或吶喊出來呢？

在會考後，各成員都去了學樂器。不過，一隊樂隊不是有幾個懂得樂器的人就能成事的。選擇演奏哪一種音樂類型呢？做些什麼樣的音樂呢？自己創作還是唱別人的歌呢？能解決這些問題後，還要為籌備硬件而煩惱，一隊樂隊裡的樂器往往都是價值不菲，一個中學生難以負擔。而且找一個適合的地方作常規練習也十分重要，樂隊是一個團體，合作性十分重要。一個人就算對自己的樂器多熟練也沒有用，因為還要能配合其他成員才能成事，所以常規練習是必不可少的。但是地點就成了個大問題，因為樂器發出的聲音大，不能隨意找一個地方練習。

在成立之初，成員都希望能自己作曲填詞，但後來才發覺這並非易事，加上時間問題，至今仍然未有進展。於是他們就只能先練著別人的歌，大都是一些流行音樂和搖滾音樂，主要是一些英文歌，例如外國樂隊Green Day的歌。而硬件方面，他們最後終於找上了「Band房」，租用場地和樂器。當說起這個問題時，他們每個人都顯得十分無奈，因為每個星期的租用費其實都不是少數目。（雖然學校能提供場地，但奈何學校這方面的設備又十分陳舊。）

雖然問題最終能迎刃而解，但真正的付出到此刻才出現。開學了，都是中六生，學業、課外活動、感情和家庭，時間怎麼分配呢？面對高考，課程長，內容深，時間短。而課外活動，不再只是參與者的身份，還是籌辦者，要時間還要心神去想該做什麼？如何做？還要做得好。再加上感情和家庭，都要時間和心神去顧及。只要有一點做得不好，都會使問題變大和延續。但是對於這些難以處理的問題，Momentum的成員都顯得很自信，表示樂隊對這些都沒有影響。

收穫不能言喻

Momentum成立至今，雖然演出的機會不算多，但對於成立了不足一年的一隊樂隊而言，每一次的演出都是一個挑戰。當中最具意義的一次，一定是二零零五年在聯校聖誕舞會上的演出，當晚Momentum的演出將全場的氣氛升至沸點。強勁的鼓聲、鏗鏘有力的吉他聲和琴聲，加上主音就使到全場都沸騰了起來，他們得到的是台下的吶喊聲和尖叫聲。Kelvin表示這些都帶給他們一種不能言喻的滿足感和成功感。CK更說他們對音樂並沒有什麼遠大的夢想，只是想玩音樂，站在台上就有一種想表演的衝動，看見台下的反應就有一種滿足感。

除此之外，Momentum更有一種無形的凝聚力，維繫著他們之間的友誼。（小恩說Momentum的成立就是為了維繫幾個朋友來滿足自己想玩音樂的慾望。）

最後一個問題

最後一個問題，筆者問他們有沒有想過Momentum解散的一日。首先是一陣子的沉默，之後CK就提出了更改問題的要求。不過筆者沒有答應，又過了一陣子，CK說：「到了現在，我覺得五個人中不能少一個……總之一個都不能少。而解散……只要一日我們五個人都還在，Momentum都不會消失。」Kelvin接著說：「頂多也只是我們懶而不出來練習而已，怎也不會解散Momentum的。」

其實從這一個問題，可以看出他們之間的感情，（亦看得見維繫著他們的Momentum）。

後記

在訪問之中，筆者感受到了他們之間的那一份情誼。縱使整個訪問都是在吵吵鬧鬧的笑聲中進行，成員之間經常互相挖苦取笑，但其實這種就是他們相處的語言，當有成員答不上問題，有其他的成員會替他補充，替他解圍，這就是年青人的友誼，這就是朋友。

對於Momentum這個名，筆者有另一個的解釋。Momentum其實就是他們永久友誼的產物，友誼就是那一件持續進行運動的物件。Momentum因他們的友誼而生，他們的友誼因他們而存在，沒有了他們的友誼，也不會有Momentum，但只要他們的友誼一日存在，Momentum也會一直存在。

劉志賢專訪

問：你是在什麼情況下開始接觸羽毛球呢？

答：我是在小學三年級時開始接觸的，一開始是在暑假期間參加了一個羽毛球訓練課程。剛剛開始的時候，我還未正式愛上羽毛球，只是把它當作一項運動來看。但日子久了，我就慢慢開始發覺它的可愛之處，漸漸喜歡打羽毛球了。

問：你是從何時開始接受正式的羽毛球訓練，並加入香港青少年隊？

答：我是在小學三年級的時候開始接受正式的訓練，開始的時候，我是在小學的校隊中學習打羽毛球的，後來當我我球技越來越好的時候，我就開始和香港的分區青少年隊接受訓練。到了中一的那一年，我由於表現出色，於是就加入了重點青少年隊，正式進入香港的羽毛球青少年隊。

問：你在本校參與許多不同運動，是本校的田徑隊、游泳隊及羽毛球隊的要員，在眾多運動中你為什麼選擇羽毛球而不是其他運動作為重點呢？

答：因為在羽毛球的比賽中有無限的變化、變數。每一場比賽，中都是兩位球員在智力和體力上的較量。而且在球場上每一個人都沒有絕對的勝利，也沒有絕對的失敗。而我就正正是那種好勝的人，喜歡挑戰難題，所以便選擇了羽毛球了。

問：你認為選擇羽毛球作為重點這一個決定有沒有令你失去些什麼呢？

答：羽毛球不但沒有令我失去了什麼，反而帶給了我很多美好的回憶。同時在不斷比賽中，建立了我的自信。

問：許多人認為學生要當上運動員的話就會令學業成績退步，那麼你認為運動有沒有影響到你的學業成績呢？

答：我覺得其實是沒有影響的。雖然練習用去我不少時間，但最重要是要懂得如何分配時間。時間是公平的，每人都有二十四個小時，不會增加也不會減少。所以只要我們懂得善用時間，工作時工作，遊戲時遊戲便可以了。另外，做事的態度也是相當重要的，只要你每一件事的時候專注、認真，便一定可以使你事半功倍。

問：升上中六後你的功課及學業越來越繁重，而且你平日還經常要練習羽毛球，可以談談你是怎樣分配自己的時間嗎？

答：我的練習時間安排在星期二、星期四及星期日。由於練習後我大都感到疲累，而我平日很少在星期二或星期四溫習功課，所以我的溫習時間大都會集中在星期一、三、五的放學後。

問：你認為校方對運動員的支持是否足夠呢？本校還有沒有其他地方有改善的空間？

答：我認為校方在這方面的支持是足夠的，但還有改可以改善的空間。首先，我認為校方應該統一各班的補課時間。因為學校校隊的成員來自不同班級，而為了保持及提升隊員的狀態，各校隊的隊員是需要一同練習的。因為他們大都是在放學後練習的，所以老師們在放學後的補課會影響到他們的訓練。當然我不是指校方和老師不應該安排補課。我相信學校的老師願意付出他們寶貴的時間為我們補課，都是為了讓我們學生得到理想的成績。但我希望學校能在每個星期中抽出兩天時間，在放學後不要安排補課，好讓各個校隊能有足夠的時間訓練。

問：你的家人或朋友對你用這麼多時間到運動上有沒有什麼表示呢？

答：對於我的運動訓練，我的家人是十分支持的。但他們認為我應該要把學業和運動都發展好。

水記飯堂——妙姐專訪

記：記者　妙：妙姐

記：首先多謝妙姐能抽空接受訪問，希望透過這次訪問，能加深各同學對本校飯堂的認識。
妙姐你何年開始經營本校飯堂呢？

妙：不記得了，大概在1982至83年開始吧！糟糕，將自己的年齡透露了出來……

記：為什麼在本校經營飯堂呢？

妙：也許是命運的安排吧！本以為經營飯堂有很多樂趣，可以品嚐美食，所以嘗試經營飯堂。

記：在本校經營飯堂的期間，有什麼最深刻、最開心、最不開心的事？

妙：最深刻的事情是同學以友善的態度相待，能看見初中的同學漸漸成長，有部分同學很乖巧；最開心的事當然是生意額上升，同學友善的態度令我感到水記很溫暖，被同學讚美食物美味時便感到開心；最不開心的事情莫過於是生意額下降呀，發見有同學偷東西便不開心，食物被同學說難吃時便不開心，當然會努力改善啦！

記：本校飯堂要準備大量的食物，有什麼要功夫要做呢？

妙：要延遲、提早上下班時間，要在非繁忙時準備食物，當然最理想增加人手，不過這是可遇不可求，因為學校假期的緣故，防礙增聘人手。

記：面對外來食物零售商，飯堂有什麼策略呢？

妙：做好本份，增加份量，改善味道，吸引更多同學光顧。

記：有同學對飯堂所售賣的午飯表示不滿，飯堂有什麼改善方法？

妙：同學應該主動反映是哪一方面的不好，是味道還是份量？因為每個人的口味都不同，很難制定標準。味道和份量方面飯堂皆會做好，最重要同學應該主動反映，當然飯堂會提供最新鮮、美味的食物給大家。

記：如果將來退休後，子女會否承繼衣缽？

妙：不會啦！我希望子女能出人頭地，我不是李嘉誠，子女不必承繼衣缽，仔大仔世界，況且承繼衣缽不合時宜，不必了。

後記

訪問在一個輕鬆的氣氛下完滿結束，筆者發現妙姐是一位明辨是非的人，妙姐陪伴著筆者成長已有六年了，在這六年，妙姐不斷指出筆者各方面的不足，使筆者能及早改善，達至目標；此外，有日常閒談中，她亦將自己的生活經驗與筆者分享，令筆者得到正確的人生觀。她陪伴著各位同學的成長，真是名符其實的「大家姐」。

縱使大家會發現妙姐白髮蒼蒼，但在訪問時，她強烈表示永不言休，努力拚搏，如果各位同學能將這種精神投放在學業和運動上，便為本校帶來更好的成績，為學校寫下光輝的一頁。

Extra-curricular Activities

Message from the President of the Student Association

The 05/06 Student Association is called "3xpress" which means "an expression of three basic elements, namely, sports, academic performance and sense of belonging". The three interdependent elements play an important role in our school. The members of the Executive Committee and I hope to promote this idea because this is our tradition. We should never forget our achievements in sports and studies, and fight for more glory.

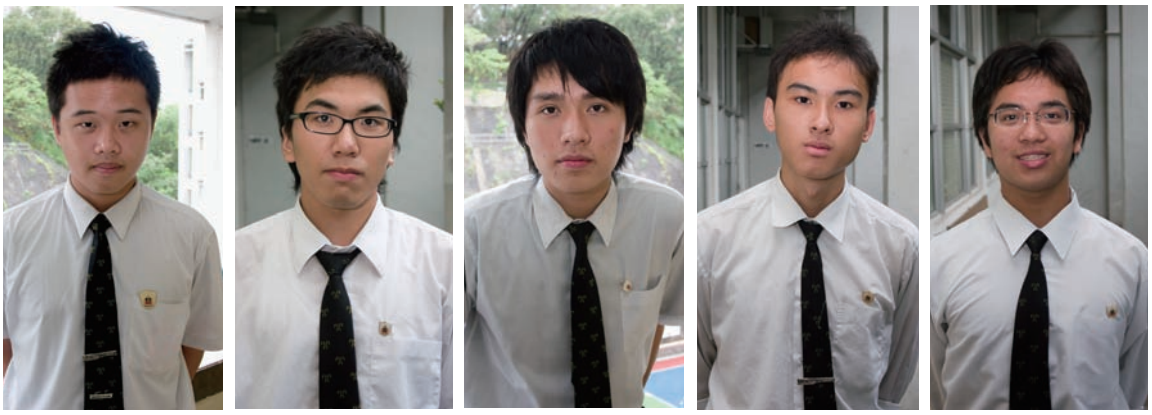

We should not hesitate to participate in extra-curricular activities because students can acquire more knowledge and skills such as self-discipline and communication skills. In addition, we can make more friends and contribute to the school as well. To sum up, participation in extra-curricular activities is beneficial to us.

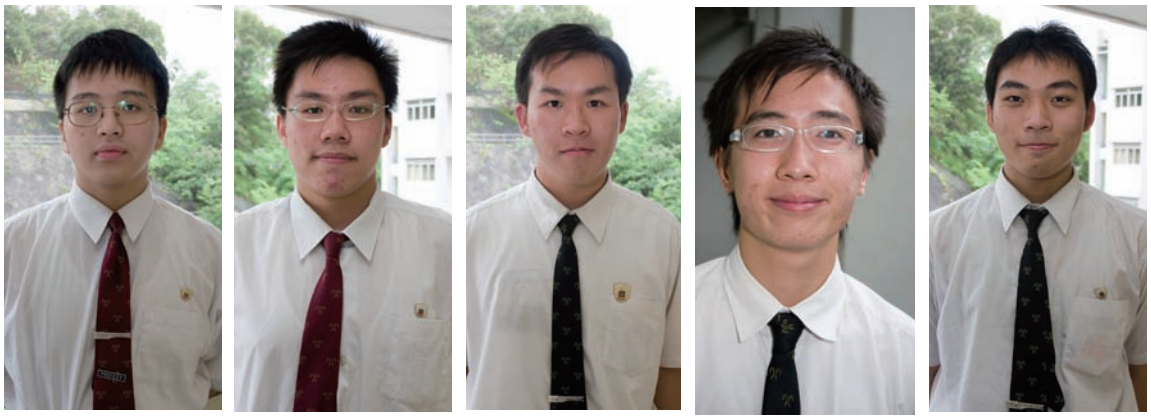

I would like to take this chance to encourage my fellow students to work hard for success. If you try, you will feel the fun and have a sense of achievement.

I would like to thank our teacher advisors, Mr. K. S. Chan, Mr. C. K. Wong and Mrs. A. Lau. They have helped us by providing us with a lot of advice. Finally, I would like to extend my gratitude to all committee members, especially kenneth Lui, for having devoted much of their time to the work of the Student Association.

I hope that the work done by the SA is beneficial to our fellow-students and the school.

Head Prefect's Message

I was deeply impressed by the words ' **We Are The Boys In Red** ' when I first saw them on a banner at the Caritas Bazaar in 2003. These words do not just carry a simple meaning. They mean CSK spirit. CSK spirit is something that cannot be explained and learned from textbooks. You can only realize it by participating in activities organized by CSK students.

I have started to learn what CSK spirit is ever since I was in Form Three and I am still learning more about it now. Being the Head Prefect, I can fulfil my aspiration to contribute to my school. Being the Head Prefect does not mean to maintain school discipline only. It is really not an easy job. A more challenging job that I have this year is to make more students understand the meaning of ' **boys in red** '. Once they understand the meaning, they will think twice before they do anything to ensure that everything they do is for the good of CSK. Students will try their best and work hard in everything that is related to CSK, such as academic work, sports, inter-school activities and discipline. For the good of CSK, it is meaningful to make more students understand the meaning of ' **boys in red** '.

A new structure has been introduced to the Prefectorial Board this year. Several new positions were set up and prefects were divided into three teams instead of four as in previous years. Moreover, there are many new arrangements for maintaining discipline. Every reform has its merits and demerits. However, all students, including prefects, should do their best to minimize the demerits.

No prefect is perfect, including me. Please do not mind about mistakes made once you have improved. Mistakes help us become perfect!

Time flies. It is almost the end of the school-year now. I have experienced many things. Some of them are interesting while some are frustrating. However, all of them are unforgettable. Here I must thank our Deputy Head Prefect, Lam Chin Yat, the senior super-intendent prefects, the super-intendent prefects and all the other prefects who have paid a lot of effort to their work. I would also like to thank Mr. C. K. Wong, Mr. K. V. Vong and Mrs. E Chan who have given me much support and advice.

Being a CSK student, I have no regret! We should all do better for the reputation of our school. Nothing cannot be made possible if and only if you are hardworking. Boys in red, work hard and try your best!

Siu Ling-kit 6A

Prefectorial Board

The Prefectorial Board is to offer help to the school in maintaining students' discipline as well as enhancing the boys' sense of belonging to CSK.

A brand new image of the board has been built up by the hard work of many. Under the Head Prefect and the Deputy Head Prefect, positions such as senior super-intendent, super-intendent, chief and senior prefects are set up. With this new structure, a much more powerful impression is given to all, resulting in a more systematic management of the board. Also, orders are carried out more effectively. We must admit, however, that the workload of the whole board has increased within this school year. Every morning assembly, some prefects are divided into supervision teams to patrol the playground, while the others are required to station at every staircase. Even after school, prefects are assigned to maintain discipline in the detention class. To achieve more, an increasing workload is unavoidable. Fortunately, prefects have shown a strong will to make contribution to the school and have high adaptability to these new changes.

The board also helps to maintain discipline in important annual school functions, such as Inter-class Swimming Gala, Inter-class Athletic Meets, Parents' Night and Parents' Day, and Caritas Bazaar. This year, we raised more than $36 000 for Caritas. Also, we formed a cheering team with the Student Association, leading junior form students to cheer for our school team in the Inter-school Athletics Meet. Moreover, we managed to co-operate with the school and the Student Association in holding primary school visits, in which we showed primary school students round the school. Obviously, all these have once again strengthened students' sense of belonging to the school.

We are glad to say that the board has kept a close contact with the Student Association and have reported all kinds of disciplinary problems to the school authority.

To conclude, the Prefectorial Board has successfully taken a step ahead, enhancing CSK's reputation. We hope that the board can keep up the good work and excel further in the future.

Finally, to all the Boys in Red: Once you are a CSK boy, forever you are!

English Language Society

The English Language Society aims at arousing students' interest in learning English and encouraging them to speak more and read more in English.

This year, we have organized several activities, including the Inter-class Speech Contest, the English Week, and the Halloween Celebration.

The Halloween Celebration was a great success. Students who took part in the stall games were awarded candies. They enjoyed themselves very much.

The English Week proved itself to be the most popular among students. There were interesting games such as "Hangman", "Tongue Twister", "Forming Words" and "Tic-tac Toe" in the School Hall. Some pupils from Chan Sui Ki Primary School were also invited to come and share the fun with us.

The English Speech Contest focussed primarily on the introduction of 'radio plays'. Such plays were very well-received.

Here I would like to express our sincere gratitude to our teacher advisors, Mr. A. Beynon, Mrs. B Chan and Miss V Kwok. Thanks also be to the teachers who have helped with organizing the activities and acted as adjudicators at the contests held by our Society. We admit that there is still much room for improvement in the future activities and we sincerely hope that all CSK boys can enjoy the process of learning English.

中文學會

本會成立超過二十年，為貫徹其宗旨，本會積極倡導校內的中國文化風氣，提升同學對中國文化的認知和興趣，因此，今年中文學會亦舉行了不少和中國文化有關的活動和比賽。

由於辯論在我校廣受歡迎，因此班際中文辯論比賽相信是每一年度最受觸目的活動之一，今年初級組冠軍為二甲班；而高級組方面則由五戊班奪冠，由於今年的辯論決賽採用「星島校際辯論比賽」的計分模式，令比賽過程更為精采和刺激。

除此之外，中文學會亦舉辦了不少有關於中國文化的比賽，例如「中文演講比賽」，本年度的高級組賽事還是以即席演講的模式進行，增加比賽的趣味性，台下的觀眾反應亦相當良好；「中文徵文比賽」和「中文閱讀報告比賽」同時鼓勵同學多閱讀、多寫作，加強讀寫方面的能力；另外，今年，中文學會亦響應為新校舍落成而舉行的步行籌款，主辦「標語創作比賽」，使同學們在出錢出力的同時，也有機會運用其豐富的創造力。

中文學會成立多年，舉辦的活動繁多，除了一眾委員的頂力協助和各同學的支持下，亦要感謝兩位顧問老師，還有各中文科老師、舊生陳榮基先生、邱健祥先生、葉倬瑋先生，才得以使各項活動順利完成。

希望未來的中文學會，仍能堅守著一貫的宗旨，發揮中國文化精神。

Science Society is one of the major societies in Chan Sui Ki (La Salle) College. It aims at arousing students' awareness of the beauty of nature and their interest in exploring the mystery of the universe. Sometimes people may think that science is "cold" and boring and it is only relevant to scientists. However, science is everywhere. You can get to know more about it in an interesting and enjoyable way. You do not have to study it in the same way as you do for academic subjects.

To achieve our aim, our society held various kinds of activities to introduce science to our schoolmates this year. Our society organized two competitions, namely Inter-class Science Quiz and Inter-class Mathematics Quiz. The Inter-class Science Quiz was divided into junior and senior sections and it examined the all-round knowledge of science ranging from academic knowledge to the history of science. The questions also tested the critical thinking and team-work of the participants. The Inter-class Mathematics Quiz was also divided into junior and senior sections. It could also promote logical thinking and problem-solving skills.

Besides academic competitions, our society has also done much in arousing students' interest in science. For example, our society organized other activities like "Putting Waste into Use" (a recycling competition), publishing the newsletter "Science Exploration" and held practical activities like "Funny Experiments" to allow students to keep track on the modern science advancement.

Apart from the inter-class activities, our society also cooperates with joint school organizations such as Joint School Science Exhibition Preparation Committee (JSSEPC) to invite and encourage students to participate in the Joint School Science Exhibition and its preparation committee. Although our team could not enter the final round, the team members had gained a lot from this competition.

Lastly, I would like to take this opportunity to express my deepest gratitude to our teacher advisors and all of the committee members for your valuable advice and endless support. Success can never be achieved without you.

Catholic Society

The Catholic Society is a union of all Catholic students in our school. It aims at promoting Christian and Lasallian spirit and values among our fellow students. We hope to encourage students to care their living surroundings and build up a spirit of kindness, forgiveness and gratitude. We hope that the message of Love and Hope can be spread among our fellow students to guide us through the wilderness of modern times.

There is a prayer session every morning assembly. A special prayer ession is held every first Friday in a month. Also, we hold five services (School Opening Ceremony, Christmas Service, Easter Service, De La Salle Feast Day, School Closing Ceremony) through out at the school year.

We also organise the old book sale through which we can serve our fellow students by enabling them to buy old books at lower prices. Through these activities, we have learnt how to run a business and how to overcome problems.

Thank God for giving us the opportunity to know Him and serve Him. We practise true Religion by honouring God our Lord and doing good to our fellow man; "for He prayed well who loved well both man, and bird and beast. " By trusting in the love of God, love, trust and happiness are indeed our birthright.

Moral & Civic Education Club

Our club stresses the importance of moral values and civic duties.

This year, our main theme is 'green life'. Students may mistake 'green life' as environmental protection, but environmental protection is only a part of 'green life'. 'Green life' should also include mental health. One of our guest speakers, Professor Simon Chow, has also pointed out that the lifestyle of the people nowadays is too unhealthy and full of stress, and that we should change our lifestyle in order to maintain a good, healthy and happy life.

We have also invited Mr. Lo, who was a famous singer in the 80s and is now an owner of a green-life store in Sai Kung, to give us a speech. His speech has really widened our horizons.

We have also held several competitions to remind our fellow-students of the importance of 'green life'. Many meaningful slogans and beautiful posters have been designed and posted in our school campus to remind our students of the importance of 'green life'. These works were also displayed at an exhibition co-organized with the Health and Conservancy Club. Through organizing the exhibition, we were able to convey the message of living in a relaxing and joyful environment.

We have also organized many activities, such as celebrating the National Day, the Potted Plant Competition, and talks at morning assembly. We believe all these activities can help our fellow-schoolmates to maintain a correct attitude towards life.

The success of our club belongs to our teacher advisors and all of the committee-members. We would like to take this opportunity to express our deepest gratitude to all of them. Their endless support is the key to our success.

Newsletter Publication Society

This year, the Newsletter Publication Club has published a total of two volumes of CSK Pulse (祺粹). The first volume was published in February and the other one was in May.

Just like what the Chinese name proposes, our club aims at reporting what happens on the campus. That's why our newsletter has a new name, "CSK Pulse". Apart from having a new name, a new logo was designed for the newsletter, too. Also, colour-printing has been used which makes the newsletter more attractive and interesting as this allows us to include more photos.

As CSK is an EMI school, most of our articles are written in English. With the concerted effort of our committee members, we published the newsletters successfully and gave readers a lot of updated information.

When we were preparing the newsletter, we encountered lots of problems. For example, at the beginning, we didn't know how to conduct a good interview, but with the help of our teacher advisors, we could publish a high-quality newsletter eventually. Also, while preparing the newsletter, we had a chance to talk with our principal and teachers and know more about our school.

Finally, we would like to take this chance to express our gratitude to the principal, Ms. S.Y.Hung and Ms Y.M.Lee and the school magazine publication. They are really helpful and have given many useful ideas to us. We hope that the Newsletter Publication Club of the coming year can live up to the expectations of our teachers and schoolmates.

Red Cross Youth Unit 52

All members of the Red Cross Youth Unit 52 enjoyed our activities and have gained valuable experience in organizing activities. Like all the activities in the past, the activities held this year could be classified into four main areas.

Service

We carried out a service project in Hung Hom in collaboration with the Youth Unit 60 (Holy Family Canossian College). The aim of the project was to educate the public how to fight against common diseases in the urban areas. Moreover, we provided first-aid service for fellow schoolmates. For instance, our members were on duty during lunch-breaks. We also offered service in school functions like the Athletics Meets and the Swimming Gala. Finally, we provided the Headquarters with service by participating in flag-selling, community care, and a programme called "與你同行".

Training

In order to let our new members know thoroughly what the Red Cross is, we provided them with the Youth Basic Training Course and weekly drill. Other members were offered other training courses such as courses on Youth First Ad, Service Skill Training and Sign Language.

Friendship Function

A barbecue was held in December and a party was organized during the New Year holiday to promote friendship among members. Another barbecue will be organized during the summer holiday and twelve secondary schools including Wa Ying College and Pui Ching Middle School will be invited to the party.

Competitions

We took part in the Kowloon City South Headquarters First Aid Competition and the Kowloon Division First Aid Competition. Although our performance in the competitions was not bad, we were not awarded any prizes.

Last but not least, we would like to extend our deepest gratitude towards Mr. K. K. Sze, Mr. W. K. Li, Mrs. Y. L. Tse, Mr. Ng Cheuk Fung, and Mr. Tam Luk Ming for their endless and useful advice.

除此之外，獎勵方面，傑出旅團獎勵計劃中，小童軍支部榮獲優異獎，幼童軍支部榮獲銀獎，另外，童軍、深資童軍及樂行童軍支部同時獲得銅獎。此外，旅長雷健泉及幼童軍團長陳珮瑜榮獲九龍地域2005年度傑出旅團領袖獎勵。而每年之香港社會服務聯會頒發之義工嘉許獎狀，本旅亦分別有十七名成員榮獲金獎狀，五位獲銀獎狀，十三位獲銅獎狀。

二〇〇五年七月，為紀念一九三〇年中國童子軍第一屆全國大露營，本旅特舉辦一中港台聯誼露營，期間四十二名來自中國國內，台灣及本旅之童軍或青少年一同前往當年於之營地南京小營緬懷昔日童軍歷史，其後更前往蘇州，杭州和上海進行交流活動，當中大家更有機會前往參觀四行倉庫紀念館，該館為紀念中日淞滬大戰時，一位十七歲中國女童子軍楊惠敏泅水游過蘇州河，勇敢護送國旗獻給八百壯士的壯舉，振奮了整個上海戰區和租界的事蹟。

七月下旬至八月，旅長雷健泉代表香港前往北京參加第十六屆國際青少年宇航員大會，活動中，各參加者更可和中國第一位太空人楊利偉及美國太陽神十七號征月計劃之登月太空人分享他們航天經驗。去年十月，中國成功發射神舟六號太空船，而在兩位神舟六號訪港期間，本旅亦有安排成員參與多項歡迎和分享活動。

瞬間，本旅已屆成立三十六年。我等成員相信隨著香港穩步發展，九龍第二佰零伍童軍旅定必心繫家國，同步前進，為我校，香港和國家更創佳績。

This year, the CYC held many activities. These activities helped us in many aspects. The most important thing is that these activities gave us some opportunities to serve our society.

One of the activities is the Community Chest Flag Day 2005. It was held on 26th November, 2005. The money raised has then donated to the Community Chest. Through this activity, we know that there are still many poor people in the world, even in Hong Kong. So in our spare time, we should spend more time on community services. If we can, we should give some money to the poor.

On Christmas Day, we held a Christmas activity. In this activity, we played games with blind people and brought them love and happiness. Through the activity, we know that the blind people need more love to maintain their motivation for life. Besides, we know the importance of love. We hope that society can give more resources, love and care to the blind people in order to help them to maintain a positive attitude towards life.

During the Easter holidays, we organized a joint school community service activity with St. Rose of Lima's College. The aim of this activity was to serve old people. When we visited them, they were very happy. Nowadays not many teenagers are willing to visit them, so if we have spare time, we will visit them again to make them happy.

CYC will continue to serve our community by participating in different kinds of social services. We are looking forward to seeing you to be one of our volunteers.

《晴天陰天雨天》

六乙班　伍霆輝

二零零三年二月十五日　晴

常聽人家說，戀愛是甜蜜的。這天，我終於感受得到了。我現在的心情，就像今天放晴的天空一樣，剛才跟妳到海邊談心，訴說彼此的心底話。

你的每一句話，我都牢牢地記在心中。妳絲絲細語、甜蜜的笑聲，都塞滿了我的世界。在晴朗的天空下，鳥兒也為我們高興，在樹上一邊享受溫暖的陽光，一邊唱著悅耳的歌聲。海面映著陽光的倒影，曜眼的銀光閃閃生輝。我想，我的心情與這景色也無兩樣。我腦中的畫面，無時無刻都是妳撩人的一舉一動。昂頭向天，蔚藍的天空、純白的雲，代表著妳我之間潔白無瑕的愛情。這一刻，很寧靜、很舒服。

感謝妳讓我第一次感受到原來晴天是那麼美麗。此時，我很想將一切變作永恆。

＊　　＊　　＊

二零零四年二月十五日　陰

這天，蔚藍的天空不再出現，出現的是一種既曖昧又朦朧的灰藍色。可憐的白雲，不斷被惡魔般的烏雲驅逐，一直地趕，趕到很遠，很奇怪地，我心裏泛起了一種莫名其妙的感覺：這混濁的天空，是暗示我倆之間的裂痕嗎？

在陰霾密佈的天空中，肆無忌憚的烏雲一直伸延，一直鑽進我的心窩。我感覺到，我倆的關係頓時變得脆弱，像是連風吹都能摧滅一樣。

妳對我的反應開始冷淡了。這又是你鬧情緒？還是……不，這只是我的錯覺吧！我相信烏雲很快便會散去，澄藍的天空很快會再次出現。

＊　　＊　　＊

二雲雲五年二月十五日　雨

烏雲仍然揮之不去，反而，在我們彼此心中擱下一片陰影。

時間像魔術師，把妳我的甜蜜都一一變走。我曾嘗試趁這位無情的魔術師不注意的時候，把妳永遠留在我身邊。可是，無論我如何努力花光一切，也拉不住妳。他的手真的比我更暖嗎？

妳分手的一句話，就像把條情的雷轟在我的頭上；綿綿的細雨，無聲無色地跟在我兩行淚水融在一起。

雨，沒有因我的傷痛而停下；它，反而越下越大，豆大的雨拍打著屋簷，發出像哀悼般的音樂。眼眶的熱淚已經模糊了視線，臉上的是雨水還是淚水，我已分不清楚了，腦中出現的，又是中片空白。滂沱大雨仍不住的灑，灑在我心中最脆弱，最傷痛的傷口。過往海邊的溫柔，已變成了此起彼落的白頭浪，傳來的又有苦又鹹的味道。這就是愛情嗎？我不知道……

我緊閉雙眼，獨自聽著正在嘲笑的雨聲。我開始討厭我自己、討厭我自己……這個雨天，我學會了放棄。

＊　　＊　　＊

「大伙兒過來看看這三頁日記，原來又是一條為愛而死的可憐蟲。」一名警員在死者自殺的天台幽幽地道。

雨，仍然在下；雨，仍然在下……

《球場上的青春》

二乙班　葉祖成

屋外，漫天飛雪；屋內，爐火正紅。至今那棵樹依舊驀然獨立在我窗外……

那裏何曾有一排樹。年輕的綠裙，伴隨著習習微風、沙沙低語、輕輕蕩漾。遠方一群群青年駐足馳騁綠茵球場，紛飛的背影，若隱若現，各自追尋著自己輝煌的夢，找尋往昔單純的自我。

我費解為何綠茵球場總是承載著輝煌與完美，為何腳尖的人生總是許多男孩夢寐的希冀。歲月刻下的，不只是額前的皺紋。童年因為追尋夢而激情無限，馳騁球場如戰沙場。如今，卻因歲月無情的洗禮，每每在終場前謝幕，飽受傷患困擾。

球員的拚命，精采的傳射，帶來觀眾的接臂吶喊。但是，他們的搶拚隨著一次次無情的衝撞而戛然而止，他們眼中的淚水，可總也淌不下，只因心在淌淚。在彷若無事的拚搏中，往往背後是受傷球員躺在擔架無奈含淚離去的背影，可以令人想像的是，身處醫院治療的他，是何等的焦慮，何等的關注。畢竟，他只能如旁觀者般，為那瞬息間萬變的戰局歡呼、慨嘆。只是，球員比觀眾更為之牽動，為著那塊，自己多年來一直苦守、追逐的戰場。

同一片天空下，可以是璀璨、可以是黑暗，有人以完美的謝幕告別球壇，有人離開時卻帶著無盡的唏噓與遺憾，留下的只是歲月的無情，強忍的淚水，以及滿臉的蒼桑，無法挽回的青春歲月。

青春是幅美麗的風景，有人匆匆溜過，一無所獲，到老年總是後悔莫及；有人卻無悔地追逐球場上的青春，到了晚年回味無窮。這兩種截然不同的人，是否給予我們帶來一絲絲感慨？

秋風輕輕吹拂了那一排樹，飄下幾行落葉，善感的你們能否體察青春的流逝？

臨別贈言

陳陳秀芳老師

不經不覺在陳瑞祺已經十三年了，要離開總有些依依不捨，但回家作全職主婦是我兩年來深思熟慮的決定，縱有不捨，也得放手。在這十三年中有開心也有悲傷，陳瑞祺令我成長了不少，她給了我很多機會及珍貴的回憶，我永遠也不會忘記。

記得初到陳瑞祺的時候，我還是一名什麼也不懂的黃毛丫頭，除了上課、批改功課外，我最愛以週記和學生溝通及在下課後與同學談天、打球，有時至日落西山也不願走，學生的純樸真誠，令我很珍惜和每個學生的關係，所以十三年前的週記簿的影印本有些我仍保存至今。我最愛看同學們打球，有時看到他們被球誤射而鼻血直流，我顯得緊張時，他卻從容地抹抹鼻並笑着說：「沒事！」跟著又去打球，男子漢就是這樣培養出來的嗎？有時同學被老師責罵，第二天他又再笑嘻嘻地走過來叫道：「老師早晨！」陳瑞祺的學生既大方爽朗又明辨是非，讀書運動皆精，我覺得能在陳瑞祺工作是我的光榮；與同事關係和睦又受學生愛戴，更取得「最值得表揚教師獎」冠軍，一切都看似很幸福。

直至我的大女兒－－思行出世，一切都變得不一樣，以前甚少出入醫院，現在因為她的緣故我們變了醫院的常客：驗血、磁力共振、電腦掃描、腦電圖、骨科、腦科、眼科、遺傳科……六年的工作和家庭的張力，使我身體疲倦心力交瘁，本以為可以查出女兒的患病原因，但最後發覺原來醫學縱使倡明，卻仍有不明白、不知道的地方：所有結果皆正常，但思行還是不懂行、不懂坐、不懂說話、不懂溝通。六年來我多麼渴望她叫我一聲：媽媽，看似簡單的要求，但卻又遙不可及。我可以怎樣做呢？除了痛哭和祈禱外，我什麼也做不到。我體會到人實在有限！我是基督徒，自少在教會長大的我深信人做不到的事神能夠做到！縱使這六年思行沒有多大進步，但我仍然愛她，從前如是、現在如是、將來也一樣！我等待着奇蹟的降臨。

這些經歷看似很不幸、很淒慘，但老實說我卻在當中學到不少道理：

1. 幸福並非必然：四肢健全、能走、能跑、能說話、能讀書、能思考，這些並非必然擁有，你有沒有珍惜這一切？你有好好運用抑或白白糟蹋它？所謂「非禮勿視、非禮勿聽、非禮勿言、非禮勿動」若一個人選擇看正事，聽正言，行正道，他的思想言行不可能不正。你的選擇又如何？會否仍然喜歡打機多於讀書？仍然喜歡聽是非多於聽教訓？仍然喜歡人云亦云多於自己思考？仍然喜歡指責別人多於反省自己？仍然喜歡負面思想多於正面鼓勵？不要浪費你們的幸福，因為別人得到鼓勵或傷害全在你一念之間！

2. 要勇敢面對挫折：人生難免有起跌，遇到困難時別怨天尤人，別問為什麼，要問我可以做什麼，學到什麼；也切忌逃避！逃避不會解決問題只會令問題惡化，自己也不會開心。所謂「經一事長一智」，你沒有「經」過何來「長一智」？壓力和困難均會助人成長，但要視乎你是否願意及有勇氣衝過去！身處困難中雖辛苦，但衝過去後你便會知道「回首向來蕭瑟處，歸去！也無風雨也無晴」的道理。曾看過一本書作者對生命有這樣的看法：「生命充滿弔詭的：因着我們生命中的缺口，我們更懂得體恤別人的需要；因着我們經歷過憂傷，我們更曉得安慰那些經歷同樣患難的人；因着我們的生命有限期，我們更會好好珍惜生命；因著困難挫折的來臨，我們更能從中學習成長。」你明白箇中的道理嗎？

3. 要有正確的人生觀：你的思想決定你的生活！一個怨天尤人、充滿不滿及負面思想的人，就算他的生活無憂但他仍不會快樂；相對地一個樂觀積極、正面思想的人，就算落在百般困境中他仍能以喜樂面對。聖經說：「你們要靠主常常喜樂！」「喜樂的心就是良藥」快樂可以很簡單亦可以很複雜，但決定開心與否的不是你的經歷和遭遇，而是你的心！思行就讀的特殊學校某一期快訊中有一篇很值得細味的文章：

幸福的主人 **江婷老師**

人生的悲劇在所難免，但遭受波折也不表示與幸福絕緣，相反，遭受到波折的人才更加明首何謂幸福，才會更懂得珍惜幸福。每個人可以做幸福快樂的主人，因為幸福是把握在自己手中，快樂也是自己營造的感受。要得到幸福的不二法門，視乎自己是否有正確的人生觀。人們若要得到幸福，需做到以下幾點：
1. 盡心：倘若凡事盡心，不管遭受多少的困難與波折，不管結果成功與否，也能心安理得。盡心，是一種對生命誠實、負責的態度。當我們做事盡了自己本份，便不必有任何的遺憾和怨恨，自己也能活得問心無愧。學會盡己之力，幸福就會在眼前。
2. 知足：有的人雖然沒有擁有世上最好的東西，但他卻感到幸福，是因為他滿足現有的一切。人因滿足而幸福，人因知足而快樂。不要想自己沒有的，要想自己所擁有的。人要知足！比較容易知足的人，幸福就離他越近。
3. 豁達的心：人要有豁達的心，不要太計較一些小事情，遇到阻礙，積極地面對，要知道比別人的磨練多，得到的收穫也多。我們要相信人生充滿希望，人也因希望而有動力在無常的社會中繼續打拼，滿懷著希望，幸福就會縈繞心頭，幸福就是如此多樣，會因人、因事、因想法而有所不同，但可確定的是，只要你有豁達的心，那麼你離幸福的道路就不遠了！

幸福其實是一種選擇，因為幸福的主人是自己。我們可以說一個擁有一切的人比別人幸運，但幸運不等於幸福。幸運只是外在的順利，幸福是喜悅的內在心態。幸運是來自上天給予的，而幸福則是自己創造的。因此，我們要懂得認識自己，明白自己的需要，並且要凡事盡心、知足、豁達地面對人生，這樣，我們也許不能比別人幸運，但必定比別人幸福。

留在陳瑞祺的日子無多，可以和從前一樣與學生談天至日落西山的機會更少。別怪我嘮叨，仔，我很想你們每人都成材，因為陳瑞祺內盡精英！盼望我的分享燃點起你心中的火，在我走後的日子裡，你們仍能同心地為陳瑞祺發熱發光！我會在某一角落默默地為你們祈禱！願主祝福你們及我所愛的陳瑞祺（喇沙）書院。

A Role to Become a Teacher

Time flies. I have been a teacher for 10 years.

When I was still a kid, I had infinite number of dreams. I wanted to be a fast runner, a good fighter and a skillful sport player. I also wanted to be someone important. Besides, I also wanted to be knowledgeable and hoped I could explore everything about the universe. All these wishes were so big but vague and naive.

Due to an accident in F.3, I needed to put down all sports for 2 years. I then concentrated on knowledge seeking. After reading much about Einstein, I further narrowed my interest to the seeking of the mechanism that governs the universe. This wish was so strong that I was motivated to study hard to enter postgraduate school in university. Nevertheless, after spending six years in university, I started to realize that the society of scientific research was far less romantic than what I imagined. I succumbed to reality after I got the master degree. At that moment, I was trapped in the mist of loss and regret.

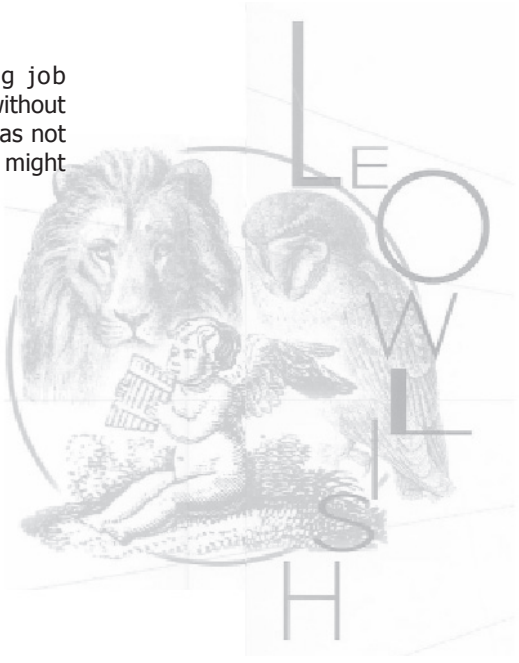

Life was going on. I got a teaching job unintentionally. Without heart, I taught without soul. Luckily, the teaching environment was not so competitive at that time. Otherwise, I might be fired long time ago.

Actually, this luck was nothing comparable with the chance to listen to the feedback from my students. Some praised me, many criticized me. I had to say that the critics were so harsh that they were like slaps in my face. I felt extremely unhappy, especially the realization that I was disappointing my students. I got loss in my life. I did not want my students to encounter the same. I wanted to help them to pursue their dreams. Unexpectedly, this gradually became a new goal in my life.

In these years, I had gained much insight about how to teach from the responses of my students. The longer I taught, the more I realized the individual difference of students. Teaching method suitable to this class might not be effective to another class. Teaching was by no means a boring job.

10 years has passed, I still find much interest and reward in teaching.

Mr. W.K. Wong

Speech delivered by Mr. Yue Chi-hang, Director of Architectural Services at the Inauguration Ceremony of the New Building and 2004-2005 Speech Day of Chan Sui Ki (La Salle) College on 25 November 2005

Mr. Chan, Reverend Brother Patrick, Principal Sze, Distinguished Guests, Parents, Teachers, Fellow Graduates and Students:

I am delighted and privileged to join you this wonderful evening, to celebrate your Speech Day and the opening ceremony for the new wing of your School. I am also much honoured to have the opportunity to say a few words as your 'Guest of Honour'. When I first received your Principal, Mr. Sze's invitation, I asked myself – As an architect by profession and at such occasion, what do I have to share with you? Is it about Education? Is it about Architecture? Or is it about Life?

I have a story for you. A farmer went out to sow his seeds. As he was scattering the seeds, some fell along the path; they were trampled on, and the birds ate them up. Some fell on rock, and when they came up, the plants withered because they had no moisture. Other seeds fell among thorns, which grew up with them and choked the plants. Still some seeds fell on good soil. They came up and yielded a crop, a hundred times more than (that) was sown. Most of you must be very familiar with this story. It is one of the famous parables of Jesus. This parable certainly has very special meaning to Christians. For me, it is about a process. When a seed falls on good soil, it germinates, grows, fosters, blossoms and finally reproduces. The story tells us the importance of good foundation; persistency and whole-heartedness throughout the process; and striving for proliferation and prosperity. 'Education', 'Architecture' and 'Life', all share one common denominator — each by itself is a process. Let me start with Education. Chan Sui Ki (La Salle) College is indeed a seed on good soil.

At the very outset in 1969, and throughout these 36 years, the school has a clear mission. It is the mission of human and Christian education, helping young people to develop themselves fully as human persons of integrity and persons eager to serve others. The School has continuously attained remarkable achievements and maintained the balance of academic excellence and extra-curriculum activities. The School has used English as the teaching medium since 1969 and has obtained the Government's approval to continue to do so in 1998 as one of the 114 EMI schools. The School also promotes independent learning and focuses on moral and civic education.

I know you students are very active in sports and achieve superb results every year. This year, in the Inter-school Swimming Championships, the School is the overall champion and will be promoted to Division One next year. Besides, the School was ranked the eighth in the BOCHK (Bank of China Hong Kong) Bauhinia Bowl Award (中銀香港紫荊盃) and received the 'Most Progressive School Award of the Year', the fourth time since 1989. I am proud of your consistent performance. Well done.

The School also has a healthy and robust administrative structure. The Parent-Teacher Association has been in place since 1998, bridging the school and the parents to pursue the mutual goal of well being for students. With the sound foundation, dedication of the teachers and principal, responsive parents and the support from all of you, the school is well prepared to embrace the challenges ahead. I am sure that your harvest is certainly more than one hundred-fold of what you have sown.

I have to thank the Education and Manpower Bureau to provide our department the opportunity to build the new wing for your school. And deep from my heart, I also thank the kind co-operation of the School during the whole process, to say the least, with great endurance of the noise, disturbance and other nuisances. In return, I can assure you that the new wing of the school is on good and sound foundation, no doubt about it. Construction works commenced just after Christmas 2002 and were completed in April 2005, at a cost

of about 30 million dollars. The new wing is a 10-storey building, skillfully articulated with the existing block. It increases the floor area of more than 2,600 sq. m., i.e. by nearly 30% of that of the existing school. You have more new special rooms and state of the art facilities to foster teaching and learning. More important, no more floating classes.

These facilities are physical artifacts, setting a well-tempered environment to nurture education. They are the hardware and now the hardware is here. I am also sure that your software is also in place — the principal, the teachers and school staff are all enthusiastic, energetic and whole-hearted educators; parents are responsive and considerate; you also have very supportive philanthropists like Mr. Chan. It is like a banquet, the delicious dishes are all ready. It needs guests to enjoy it. You students are the guests. Come and enjoy it.

As an architect, I can tell you, fellow graduates, the strongest structure known to man is the arch. A historian once said, "Every experience is an arch to build upon." We gain experiences everyday and we can choose to let those experiences weaken us or strengthen us. (We can choose to let life's experiences hold us back or push us forward.) Destiny is not a matter of chance; it is a matter of choice. (We can choose to learn something about ourselves everyday or let life pass us by.) I have an advice for you – Don't wallow and flounder in self-pity because the world stops for no one. You will encounter incredibly tough times in your life, and you can choose to use them as an arch or you can choose them as an excuse. (Will you let those experiences become arches to build upon or burdens that hold you down? You will ask yourself that question many many times throughout your life.)

I have another story for you. An architect went to visit his colleague one evening. They sat in the living room and talked for a while. During this whole time, the architect could hear his colleague's eight years old daughter in her room laughing and just having a great time. So he said to his colleague at one point, what could his daughter possibly be doing in there for her to be having such a great time. So the architect went to her room to meet the little girl and see what she was doing. She was building card houses from a deck of cards and she laughed uncontrollably every time the card house fell down. His colleague introduced him to his daughter. The architect went to shake her hand, but soon realized that he could not do so because she did not have hands. Her arms stopped at the wrists. His colleague went on to tell him that the girl had been born with a disease where the hands and feet were not born fully-developed. The architect said to the little girl, "It seems that you are having such a great time. How can you be having so much fun when it must be difficult to pick up the cards and build a house with them?" At eight years old, she turned to him and said, "Life is not easy for me, but everyday I get up and I do the best I can with what I have." How many of us can say we do that everyday? There was no self-pity in that child.

I leave you now with this. Listen to that small voice in your head. Dare to be yourself. Dare to be great. Dare to be different. Don't forget your roots which you get from your school. Your roots will get you through the tough times and would be the support of your whole life.

I believe that there is no better thing than helping young people blossom, grow and develop full potential. Your School has exactly done that for you. Finally, I wish all fellow graduates have a bright and brilliant tomorrow. I also wish the School every success in the future. Everybody leads a happy and healthy life.

Thank you.
