## Chan Sui Ki (La Salle) College Launching the Golden Jubilee Fund

Chan Sui Ki (La Salle) College is going to celebrate its 50th Anniversary in the 2019/20 school year. I am delighted to announce the launch of the Chan Sui Ki (La Salle) College Golden Jubilee Fund. The goal is to raise \$20 million by the year 2020. The \$20 million target sounds like a lot but we would like to think of it as being like a climbing wall with 2,000 rungs worth \$10,000 each.

As a school established by the De La Salle Brothers in 1969, CSK's mission has thrived on providing a human and Christian education to young people, especially the poor. CSK does not have a large endowment or legacy which can fund school projects. Being an aided school, CSK's finances are mostly dependent on the government. While the government funds do sustain the operational needs, they do not cover the costs of the special projects we have identified to improve the learning environment of CSK.

We hope to equip CSK with adequate resources to improve the quality of teaching and learning and to improve the school facilities. This appeal for bona fide donations from old boys, parents and other stakeholders is essential if CSK is to maintain its status as a school of excellence.

Every gift makes a difference and collectively our combined resources can make a powerful impact on the student experience in CSK. The money raised will form an endowment and with prudent investment we hope that a sizable return generated from the principal fund will help realize the projects we have identified. I know you value what we do at CSK and here is your chance to help us to do more.
