Circular No. 22045

Dear Parents/Guardians,

**Applied Learning Courses in 2023-2025 Cohort**

To meet the diverse learning needs of students, the school will offer 2-year Applied Learning (ApL) courses to secondary five students in the next school year. Students can select ApL courses freely based on their learning interests or to supplement other electives they take at school. For course list, please refer to the attachment.

Details of implementation are as follows:

**Class Arrangements**

ApL courses will take place at the venues of course providers and are taught by the staff of course providers. Students have to attend the courses according to the timetables of the course providers. Classes will mainly be held on Saturdays. However, application for ApL courses that clash with normal lessons arranged by the school will **NOT** be accepted.

**Hong Kong Diploma of Secondary Education (HKDSE)**

The assessment results of ApL courses will be recorded on the HKDSE certificate. The reporting of students' performance is by three levels, namely, 'Attained', 'Attained with Distinction (I)' and 'Attained with Distinction (II)', comparable to Category A subjects of the HKDSE Examination as follows:

Applied Learning	Category A Subjects
Attained with Distinction (II)	Level 4 or above
Attained with Distinction (I)	Level 3
Attained	Level 2

**Student Attendance**

Students who fail to fulfill the minimum attendance requirement (80% of the total number of contact hours) will be considered as 'Unattained'.

### **Selection**

According to the Applied Learning Section of the Education Bureau, students can take up to 2 ApL courses to broaden their horizons, and to realise their talent and potential. However, selection is made to allow as many students taking ApL courses as possible rather than allowing only a few students taking more than one ApL course. Priority goes to students who:

- (1) are capable of taking ONE ApL course in addition to at least TWO school electives in secondary 5 and 6.
- (2) have good conduct and learning attitude.
- (3) have a satisfactory record of attendance and punctuality.
- (4) give strong reasons for taking Applied Learning courses.

### **Applied Learning Virtual Exhibition**

Jointly organised by the Education Bureau and Applied Learning course providers, the “Applied Learning Virtual Exhibition” is now available online for students and parents to gain a better understanding of Applied Learning. You may find the details through the following link:

<https://www.apl-virtualexhibition2022.com/>

### **Applied Learning Taster Programmes**

Course providers of each course will provide Taster Programmes in online mode on **11<sup>th</sup> March** and **18<sup>th</sup> March (Saturdays)** and hold face-to-face activities on **1<sup>st</sup> April (Saturday)** for students to obtain more information on course contents and features. Interested students should complete registration on or before 17<sup>th</sup> February 2023 through the following link:

<https://forms.office.com/r/LRbh69kaQt>

### **Application for Applied Learning Courses in 2023-2025 Cohort**

Students who wish to take ApL course should submit the completed application form on P.5-P.7 to general office (Mr Hui) on or before **6<sup>th</sup> March 2023 (Monday)**. Selected students will be contacted before April 2023. Please note that course providers will conduct selection on **6<sup>th</sup> May** and **13<sup>th</sup> May (Saturdays)**. Enrollment is to be confirmed by the respective course provider in June 2023.

For further enquiries, please contact the general office at 2711 8175. Thank you for your kind attention.

Yours faithfully,

Lee Ting Leung
