Dear Parents/Guardians,

Applications for Special Examination Arrangements in HKDSE from Candidates with Special Needs

Candidates with special needs may apply for special examination arrangements or exemption from component(s)/part(s) of an examination in the Hong Kong Diploma of Secondary Education Examination. School candidates should submit their applications to the Hong Kong Examinations and Assessment Authority via schools. Candidates should submit their applications two years before the HKDSE (i.e. in Secondary 5) so that they can be notified of the application results within the S5 school year. In case the students' conditions of disabilities are unstable, they may submit applications in the school year in which they sit the HKDSE.

Candidates with special needs who will be studying S6 in 2025/26 and have not submitted their applications before; and candidates with special needs who will be studying S5 in 2025/26 should submit applications to the HKEAA together with the supporting documents in September 2025. Candidates who want to apply for the special examination arrangements should complete the reply slip below and hand in to Mrs. A Lau on or before 14th March 2025.
