D. Comments on the project conducted

Problems/difficulties encountered when implementing the project

(You may tick more than one box)

- unable to identify the target students (i.e., students receiving CSSA, SFAS full grant);
- difficult to select suitable non-eligible students to fill the discretionary quota;
- target students unwilling to join the programmes;
- the quality of service provided by partner/service provider not satisfactory;
- tutors inexperienced and student management skills unsatisfactory;
- the amount of administrative work leads to apparent increase on teachers' workload;
- complicated to fulfill the requirements for handling funds disbursed by EDB;
- the reporting requirements too complicated and time-consuming;
- Others (Please specify): _____

E. Do you have any feedback from students and their parents? Are they satisfied with the service provided? (optional)

The attendance rate of the after-school classes was high. Students expressed that the tutorial classes could help them to obtain better academic result and they will join the programme again in the next year. Most of the participants enjoyed the Archery Tag Activity. This exciting, action-packed game offered a memorable experience to the participants.
